THOSE WITH \$42NM
PREVIOUS TRAINING

All class levels will be working on the fundamentals that lead to more advanced tumbling and beam work. A mini tramp will be used to facilitate the teaching of springing stunts. Each child's capabilities will be taken into consideration in helping him/her to reach his/her potential, at whatever level that might be.

REGISTRATION

1. Since registration begins immediately, contact the office with the specified fee.
2. Registration must be accompanied by the accepted fee for activities.
3. If you wish to participate in a class other than the minimum of 8 people, as time and facilities permit.
4. Our fees are based on a minimum of 8 participants. If you register sufficient numbers, it will be cancelled. No fees can be pro-rated for those participants.
5. No fees can be pro-rated for those participants.

** If you have not made full or part payment on or by Feb. 1st, you will be required to pay non-refundable fee.
MSF* denotes a minimal supply fee which is cancelled due to bad weather or holiday, March 1st and May 14th. ***PLEASE NOTE: If school is cancelled.

All activities are scheduled on a predetermined basis. That should a class not register sufficient number of participants, the class will be cancelled. Cancellation by a participant unless the place is taken by another participant.
**If you have not made full or part payment on or by Feb. 1st, you will be required to pay non-refundable fee.
