THE GREAT RESTORATIVE.

FEVER AND AGUE CURED BY DR. M'LANE'S LIVER PILLS.

☞ Mr. Jonathan Houghman, of West Union, Fork County, Illinois, writes to the proprietors, Fleming Bros. of Pittsburgh, that he had suffered greatly from a severe and protracted attack of Fever and Ague, and was completely restored to health by the use of the Liver Pills alone. These Pills unquestionably possess great tonic properties, and can be taken with decided advantage for many diseases requiring invigorating remedies; but the Liver Pills stand pre-eminent as a means of restoring a deranged or torpid Liver to healthy action; hence the great celebrity they have attained. The numerous formidable diseases arising from a diseased Liver, which so long baffled the skill of the most eminent physicians of the United States, are now rendered easy of cure, thanks to the study and perseverance of the distinguished physician whose name this great medicine bears—a name which will descend to posterity as one deserving of gratitude. This invaluable medicine should always be kept within reach, and on the appearance of the earliest symptoms of diseased Liver, it can be easily and usefully administered.

☞ Purchasers will be careful to ask for Dr. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS. of PITTSBURGH, PA. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'LANE'S genuine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. *None genuine without the signature of*

**Important to Mill Owners.**

**Willis's Patent Turbine Water Wheel**

THIS is one of the best Water Wheels ever offered to the Milling public. It can take the place of any other wheel, and perform the same amount of work, with much less water, and equalize a perfect current wheel, with the same amount of water, under the same fall where the expense of gearing, required to get up a rapid motion, will not be greater, than half that required for the Overshot or Breast Wheels. It is simple in construction and not easily get out of repair and will work to greater advantage under back water than any wheel in use.

The subscriber having procured the exclusive right to make and vend those wheels or to sell single rights or counties in the counties of Mecklenburg, Union, Cabarrus, Lincoln, Catawba, Rowan, Davie, Davidson, Guilford, Forsythe, Stokes, Alamance, Orange, Iredell, Yadkin, Wake, Chatham and Randolph, in this State, and being a practical Millwright and Engineer, will be pleased to furnish information or drawings to all who may favor me with their orders; and the work will be got out under my own supervision and direction.

I am also prepared to furnish Steam Engine and Mill Gearing of every description; also French Burr Mill Stones and Bolting Cloths of the best quality and at reasonable terms.

All orders addressed to me at Columbia, S. C. will be promptly attended to.
