Ha Lailah Chapter B'nai B'rith Women

The Ha Lailah Chapter of B'nai B'rith Women is again offering the members of this community the opportunity of winning a one year membership to the Jewish Community Center. The second annual "Jewish Community Membership Raffle" is now underway and tickets may be purchased by contacting Laura Sebotnick (364-5253) or Joan Lyons (545-9043). The price of tickets is \$1.00 per ticket or a book of twelve for \$10.00. The drawing will be held on January 15. Due to heavy involvement in community activities the date was extended from that previously announced. We also feel that since there has been an influx of new people in the community during the past month it will give them the opportunity of participating in the raffle.

Ha Lailah Chapter has also undertaken the project of selling coupon books for the Market Place. The books contain valuable coupons that can be used by all of us. The books sell for \$12.00 and may be purchased by contacting Roberta Seeman (365-2330).

JCC Tween News

Lani Levine, our Tween worker, began organizing activities late in the summer with the help of the Tween Board, a representative group of children from each of the sixth, seventh, and eighth grades.

Their activities have been: an afternoon at Tryon Rapids, a trip to Carwinds, building and decorating a Succah at the JCC, at which time they also enjoyed a cookout and stayed over night at the Succah.

Another big event was a Backwards Progressive Dinner. Desert at the Perlin home began the evening followed by the main dish at the Greenfelds and the appetizer at Lani Levine's home. After dinner a mystery ride took the Tweens roller skating for the evening.

A day at Park Lanes Bowling in December ended the year.

The Tween Board and Lani are busy planning 1979. A ski trip to Sugar Mountain will begin the year on Thursday, January 25th. Call Lani 366-0354 to get more information and to sign up TODAY!

JCC Tweens To Go Skiing

On Thursday, January 25th the Jewish Community Center will sponsor a Tween skiing trip to Sugar Mountain. All sixth, seventh and eighth graders are invited for a day at the resort. This Thursday is a school holiday. A bus will leave the "J" at 6:00 A.M. (promptly) for Sugar Mountain and will return at 6:30 P.M. to the "J". Anyone going is asked to be at the JCC at 5:45 and to bring a sack lunch, money for drinks and a snack for the bus trip home.

The cost is \$22.00 for Members of the JCC and \$33.00 for Non-

CHAI

The Chai Group, over 65, at the Jewish Community Center is one of the most worthwhile groups of the Jewish Community of Charlotte. The group has been in existence since the birth of the J.C.C. Anyone over 65 is invited to join. They meet on Mondays from 10:30 A.M. till 1:30 P.M., and have two morning classes where one can learn to paint or keep up with "Current Events." After lunch there are entertaining programs, movies and companionship.

December 18th a covered dish luncheon was held in honor of all the good and responsible drivers, "people who care." They are: Betty Jaffe, Maryann Levinson, Sally Schrader, Susie Abrams, Lani Levine, Fairlyn Levine, Ronni Herman, Connie Ostrow, Alice Schreiber, Jean Finkelstein, and Renee Gorelick.

We need some more "young thinking" folks with new ideas. Please contact Ilse Bergen - 366-0300 or the Center - 366-0357.

Parenting For Fathers Only

The Jewish Community Center's Adult Education Department is proud to present a 3-session workshop for fathers only, on parenting the pre-school child. This workshop will focus on effective ways of disciplining and communicating with children two through six years of age. The emphasis will be on the father's role and responsibility in the family, a discussion of the child's needs and how fathers can best meet them, and an attempt to answer the question, "What is a father, anyway?" Come and share your concerns in a supportive, fathers only environment.

John Rosemond of the Early Intervention Program will lead this exciting workshop which will begin Sunday morning January 14th and will continue January 21st and 28th. The time is 9:30 to 11:00 A.M. and the cost is \$6.00. Call the J.C.C. today and reserve your place. (366-0357)

General Yariv Opens 1979 Federation Drive

(Continued from Page 1)
Charlotte Jewish Federation calls on you to pledge more than dollars. We ask you to pledge yourself to join in the struggle to find ways for all of us to work together as people, as organizations, as a unified community. Our goal is Peace - in Charlotte, in America, in the Middle East and in the world."

As part of the Service, a Memorial Kaddish was said for Mrs. Golda Mier who had been buried that morning. The audience learned that General Yariv, a close personal friend and advisor of Mrs. Mier, had made the choice of meeting his speaking commitments in Charlotte and other cities instead of returning for the funeral. He reminisced about his long association with Mrs. Mier describing her as, "An extremely tough lady" as well as a very human personality. He

spoke of her meetings in Washington with Henry Kissinger during the delicate negotiations over disengagement in the Sinai.

The night before she seemed very tired and concerned. She asked us to promise to return her to Israel if anything should happen to her. Then, the next night, she sat the entire night on a couch at Blair House smoking Chesterfields, drinking coffee and refusing to give in to Kissinger's demands. She countered all his rational arguments with rational arguments and presented her own emotional arguments. And, in the end, in the early hours of the morning, Kissinger gave in."

General Yariv detailed the concerns and risks Israel perceived in the current peace negotiations. He spoke of the prevalent Egyptian feeling that peace with Israel would bring an immediate end to Egypt's economic problems; of the possible consequences, including a military backlash, if such relief did not come. He described the centrality of President Sadat to the negotiations as both a present strength and a future weakness if something should happen to the President of Egypt. He also discussed the dangers inherent in a Palestinian state, as well as Israel's potential loss of oil from both the Sinai and Iran.

Focusing on the United States he told the audience, "there are no firm guarantees of continued arms support between Israel and the U.S. despite promises from the U.S. and requests from Israel for written guarantees."
