THE CAUSE IS BRIEFLY THIS: Conditions exist which make a swift and thorough stock reduction imperitive, without considering the loss entailed by the movement of the goods. The necessity for a quick and general readjustment of stock means this method. We meet the situation. Unsparing price reductions have been made. Regular prices have been cut, chopped and mutilated past all resemblance to their former being. Strong claims, you say? Yes, but more than justified. The values are here to beat us out. Thousands of Dollars worth of Seasonable and Staple Merchandise to be sold at prices that defy the cost of production

A Note From Mrs. A. M. Hall

To the People of Louisburg and Vicinity

Conditions exist which make a swift and thorough reduction of my stock imperative, without considering the loss entailed by the movement of the goods, therefore, I resort to the most drastic measures known to modern retail merchandising. That is, not only the eliminating of every vestige of profit, but the cutting deep down in the very vitals of the original cost of every item in my entire stock of high grade merchandise.

Every item and price in this document is a statement of facts, and is backed by my long and successful record of merchandising in the city of Louisburg. You will find everything just as represented. It is my ambition to make this the greatest value-giving event in the history of Louisburg. I value your good will to highly to allow any misrepresentation, and it is my intention to show my appreciation of the confidence and patronage of the public in the years past.

I personally guarantee every price and statement made in this circular and in appealing to you to attend this sale is simply to emphasize that to stay away is like throwing dollars away.

(Signed) MRS. A. M. HALL.
