Expect 10,000 For Va. State-NCC Tilt

DURHAM — Ten thousand spectators are expected to witness North Carolina College's Homecoming contest against the Tigers of Virginia State College this Saturday.

The 82nd Airborne Artillery Division and Military Band of Fort Bragg, Fayetteville, N. C., will participate in a parade early Saturday morning along with Boy Scout, Girl Scouts, Safety Patrols and other band units.

Miss North Carolina Scholastic will be crowned during half-time ceremonies. Alumni, friends and faculty and staff members will attend an evening dance at the W. F. Hill Community Center, climaxing the day's activities.

A round-trip ticket to the Capital Classic in Washington on November 11, when the Eagles meet West Virginia State, will be given to the alumnus selling the highest number of advance tickets to the Homecoming contest.

The General Alumni Association in the morning. Local alumni will sponsor a coffee hour in the reception rooms of the Nurses' Home of St. Agnes Hospital on the Friday night preceding. A concert in Taylor Hall and the annual bonfire are other activities scheduled for Friday evening.

A great deal of interest is centered around the game since the St. Augustine's Falcons will be meeting the West Virginia State Yellowjackets, reigning CIAA champions. Though the Yellowjackets defeated the Saints decisively in the first meeting in Institute last year, the fast and shifty Falcons scored 19 points and were the only team the CIAA to break through the 1948 West Virginia defense for more than one touchdown. The Falcons expect to make it equally interesting for the Yellowjackets this year.

ST. AUG. TO MEET W. VA. ELEVEN IN HOMECOMING

National and local alumni, students and staff members of St. Augustine's College, are planning a full day of activities for the homecoming in connection with the St. Augustine's-West Virginia State gridiron contest October 22. The game will start in Chavis Park at 2 p. m.

The Homecoming Day parade will begin from the campus at 12:45 p. m. ending at the park. Half time ceremonies will include the crowning of the student "Miss Homecoming." Miss Doris Rand, of Raleigh a member of the graduating class. Miss Rand was chosen by campus-wide vote. Her attendants, runners-up in the balloting, are Miss Joan Sturrup, of Nassau, B. W. I., a sophomore, and Miss Seanor LeFiore, a freshman, of Mobile, Ala.

Alumni activities scheduled include the annual fall meeting of

Falcons Down Bulls 19-13

A fighting St. Augustine's College eleven downed a stubborn Johnson C. Smith University team by a 19-13 score in Chavis Park October 8.

FIRST HALF

On the first play from scrimmage, Bobby Clark, swift and shifty sophomore halfback from Champaigne, Ill, ran 76 yards for the first Falcon touchdown.

The Smith Golden Bulls came back a few plays later to score on an off-tackle play. McCullough kicked the extra point, and Smith led 7-6.

The two teams stood each other off for the rest of the half, until a Saint fumble on the Falcons' 45 paved the way to the second Smith touchdown, which came on a 20-yard pass, McCullough to Washington. Score at the half: Smith J. C. Smith 13, St. Aug. 6, as the attempt for the extra point failed.

SECOND HALF

Albert Clark carried over from the one-yard stripe to climax a Falcon 63-yard drive, after a 20 yard run by Yates, who was injured on the play had set it up. Miles on a hand-off from Hicks, scored the extra point on a left end skirt. Score — 13 all.

With four minutes left in the fourth quarter Hicks recovered for St. Aug. when Washington fumbled on his own 34. A pass, Hicks to Clements, was good for 11 yards and a first down. The same combination completed another pass which moved the ball to the 2-yard line. Miles took it over from there, forming the score to 19 for St. Aug. The try for extra point was wide. Score — St. Augustine's 19, J. C. Smith 13.

Back On Their Jobs Once Again And Feeling Fine-- Thanks To HADACOL

Mr. Jim Gallon, 2306 Bell Street, Houston, Texas, and his wife, Mrs. Olivia Gallon, are both back on their jobs and feeling fine but they didn't think it was possible until they heard the blessed news about HADACOL.

Mr. Gallon works in the salvage department of a Houston oil company and his wife operates a well known confectionery store. Ill health beset both of them at about

the same time and things looked bad for the family.

"My back and arms hurt so that I couldn't rest at night," said Mrs. Gallon. "I had indigestion gas on the stomach, bloating and was so nervous and run down that I could not digest my food properly. Since taking HADACOL these troubles have left me and I am feeling wonderful. I work everyday just like old times."

Mrs. Gallon had been in bed for three years with rheumatic pains and heard that HADACOL would supply the necessary vitamins to relieve the rheumatic pains of nutritional neuritis caused by lack of Vitamin B. She also suffered digestive disturbances, her stomach was bloated and she could not digest her food.

"Since taking HADACOL, my troubles have vanished," said Mrs. Gallon. "I have so much energy and pep that I do all my own housework and operate my confectionery store. I feel that I owe this all to HADACOL. I recommend HADACOL to all of my friends."

HADACOL contains no drugs, no oils, no narcotics—only Mother Nature's nutritional elements five B vitamins and four of the most important minerals. No matter where you live—no matter who you are—if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't be miserable.

Mr. and Mrs. Gallon are just two of the many HADACOL users—two of the countless thousands who found relief through HADACOL. Many persons who have suffered and waited and hoped for 10 to 20 years or even longer are able to live happy, comfortable lives again because HADACOL supplied the 13 vitamins and minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Get a bottle at your drug store today. (Adv.)
