... Carolina Pump Company:
The Pump you sold me surpasses my most sanguine expectation. ... a fire engine ... With twenty feet of hose I have thrown water entirely over my dwelling, which is a very high two and a half story house. My family would not be without it for any consideration.
R. W. HARDIE,

SENATE CHAMBER,
RALEIGH, N. C., March ..., 1871.
Having had fifteen to twenty years' experience in well boring, using various kinds of pumps forcing water from great depths, I take pleasure in giving preference to those made by the Carolina Pump Company over all others for well and other purposes. They combine simplicity and durability.
VALENTINE MAUNEY,
Stanly County.

WILSON, N. C., Jan 25, 1871.
J. L. Kitchin, Esq.,
Dear Sir: We have had your Spalding's Pump in regular use, beginning at various periods since March, 1870, and we are free to say, that they are in every way satisfactory. There is no indication of wear or early getting out of order. All the water that nature has designed to pass through such a channel can easily be brought up even by children, for ordinary use, and by attaching hose, and putting two to four men to the lever, the pump at once becomes a local fire engine throwing ... water to ... than ordinary ... We recommend your pump to the care ...
