A & T Newspaper Names Knight As New Editor

GREENSBORO—Heading a new executive members of the newly elected staff of the A & T College REGISTER, the school's monthly newspaper, was named the position of editor-in-chief of the paper recently.

The speaker was Mr. [illegible] veteran reporter [illegible] newspaper, who delivered the principal address at the annual banquet given in honor of the new and returning staffs of the student publication.

Addressing his remarks directly to the young publicists, he said, "If we can help to keep our community clean and beautiful, never accepting a compromise for the general good of all of the people, if we can learn to expel gloom and darkness, we will have contributed to a happier and more prosperous world."

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "piles have ceased to be a problem" and "I have not felt piles since I used your treatment."

And among those who reported were a very wide variety of hemorrhoid conditions, some of them of years' standing.

All this, without the use of laxatives, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world famous research institution. Already, Bio-Dyne is widely used for healing injured tissue in all parts of the body.

This new healing substance is offered in suppositories or ointment called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Use strictly as directed at all drug stores. Satisfaction guaranteed or money refunded.

Announce New Way to Relieve Pain of Arthritis and Rheumatism Without Pills!

Greaseless, odorless cream penetrates deep—speeds up flow of fresh, rich blood into sore areas—actually helps drive away pain-causing congestion and pressure

New York, N. Y. (Special)—Science has now developed a greaseless cream that, for the first time, brings new hope to victims of arthritis and rheumatism. It is a new way to bring new relief from pain of arthritis and rheumatism, and muscle and joint aches and pains. This new cream actually relieves these pains without the need of taking pills and other internal medicines that may help or upset the system.

Greasy, odorless, fast penetrating, this cream penetrates deep and completely disappears in a few minutes. Quickly a comfortable feeling of warmth develops and the whole painful area takes on a pleasing glow. This is simply the evidence of the power of this ingredient to penetrate quickly and stimulate the circulation of the blood. This glow illustrates how it brings warmth and comfort.

Now, for the first time, sufferers from pain of arthritis, rheumatism, lumbago, neuralgia or muscle inflammation, Fields or Aralis will get hours of easy comfort and long periods of comforting relief or Aralis helps drive away the pain. Or money will be refunded in full. Use only as directed.

116 British and French doctors have now developed experience with this new help for patients suffering from arthritis and the conclusion that they find it from pain of arthritis and rheumatism, and muscle and joint aches and pains. Further, one of the leading arthritis and rheumatism clinics in the United States has been considered the findings of these doctors.

Now for the first time this remarkable cream can be obtained without a prescription at drug stores throughout America under the name INFRARUB. The price of INFRARUB is only 98c for a large tube. INFRARUB is backed by the amazing guarantee that sufferers from the pains of arthritis, rheumatism, lumbago, neuralgia or muscle inflammation, Fields or Aralis will get hours of easy comfort and long periods of comforting relief or Aralis helps drive away the pain, or money will be refunded in full. Use only as directed.

5 ways to save a dime on your electric bill

1 Shut off your refrigerator for a week. (Your food will spoil but you'll save ten cents' worth of electricity this way.)

2 Miss 20 of your favorite half-hour television programs. (You'll miss seven evenings of pleasant entertainment but you'll save ten cents' worth of electricity.)

3 Don't iron Dad's shirts for a month. (He'll be unhappy about the wrinkles but you'll save ten cents on 25 shirts.)

4 Hand-scrub 30 tubs of laundry. (Your clothes will be dingy and your back will ache but you'll save ten cents' worth of electricity.)

5 Don't let Dad use the lamp by his easy chair for a couple of weeks. (You can buy him a candle with the ten cents you save on the cost of burning a 100-watt bulb for 30 full hours.)

When you compare convenience with cost, don't you agree that the pennies you spend for electricity give you more for your money than anything in your family budget?

"YOU ARE THERE"—CBS television—witness history's great events
