The Porte has sent a note to Russia complaining that Austria fails to protect her Mohammedan subjects in Bosnia and Herzegovina from persecution at the hands of Greeks, and asking that these provinces be again placed under Turkish administration. It is reported that Russia has consented to consider the matter with the Bulgarian question.

More People Made Happy.

The past week, we are informed, has been an unusually good one for the sale of Symphyx, and very many people have, no doubt, been relieved by its use. The changeable weather of the season is almost sure to bring colds, coughs, and lung troubles with it, and Symphyx is in demand as a consequence, for the people begin to understand its value in such diseases.

WALL PAPER.

We wish to call the attention of the citizens of Asheville to our stock of Wall Paper. We have new styles of paper and decorations coming in every few days. Come and price our papers. We also have three practical paper hangers and decorators employed always on hand. All work guaranteed. Many thanks for past favors.
