MUST BELIEVE IT

When Well Known Asheville People Tell It So Plainly.

When public endorsement is made by a representative citizen of Asheville the proof is positive. You must believe it. Read this testimony. Every sufferer of kidney backache, every man, woman or child with kidney trouble will do well to read the following:

Mrs. H. M. Debruhl, 181½ Asheland Ave., Asheville, N. C., says: "Doan's Kidney Pills are certainly a good medicine, especially in women's cases and I willingly confirm all I have previously said in their praise. At one time I was weak and nervous and the action of my kidneys was irregular. My back pained me and I did not sleep well, feeling all tired out in the morning. Seeing Doan's Kidney Pills advertised, I obtained a supply at Smith's Drug Store and they acted as a tonic to my entire system. After using them, I felt better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Careful attention to details is the mother of art; a well served meal necessitates a sharp knife with the proper course. We sharpen knives for hotels, restaurants, boarding houses and families. Do our work well and charge reasonably.

Amusements

THURSDAY, OCT. 3rd,
"The Pink Mask."

"The Pink Mask."

A brand new musical comedy, "The Pink Mask," is announced for presentation on Thursday, October 3, at the Auditorium. It is R. R. Roberts' latest hit, and it is said to be making a bigger hit than any of his former successes, which always proved so amusing when they have been shown in past seasons.

Many novelties in surprising scenic effects furnish unusual surroundings to the prettily gowned girls who interpret the clever music.

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

Paxtine ANTISEPTIC

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clear and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. **Trial box and testimony of 31 women free on request.**
