THE WILSON ADVANCE.

Would you care to have a word of advice worth a great deal? Never tamper with your baby's health by using opiates to quiet its stomach troubles, etc., but use Dr. Bull's Baby Syrup instead.

Thousands of people are living unsatisfactory lives, because of the dispiriting effects of indigestion. Let such try Laxador and be happy.

POOR RICHARD'S SAYINGS.

Wise Sayings of Benjamine Franklin in his Almanac.

The taxes are indeed very heavy, and if those laid on by the government were the only ones we had to pay we might the more easily discharge them; but we have many others, and much more grievous to some of us.

We are taxed twice as much by our idleness, three times as much by our pride and four times as much by our folly; and from these taxes the commissioners cannot deliver us.

It would be thought a hard government that should tax its people one-tenth part of their time to be employed in its service, but idleness taxes many of us much more, if we reckon all that is spent in absolute sloth, or doing nothing, with that which is spent in idle employments or amusements that amounts to nothing. Sloth, by bringing on disease, absolutely shortens life. Sloth, like rust, consumes faster than labor wears. Dost thou love life? Then do not squander time, for that's the stuff life is made of.

Sloth makes all things difficult, but industry all things easy.

Laziness travels so slowly that poverty soon overtakes him.

What signifies wishing and hoping for better times? We make times better if we bestir ourselves. Industry need not wish.

LEISURE.

Methinks I hear some of you say: "Must a man afford himself no leisure?" I will tell thee: Employ thy time well, if thy me nest to gain leisure; and since thou art not sure of a minute, throw not away an hour.

Leisure is the time for doing something useful. This leisure the diligent man will obtain, but the lazo man never. A life of leisure and a life of idleness are two things. Do you imagine that sloth will afford you more comfort than labor? Trouble springs from idleness and grievous toil from needless ease. Many, without labor would live by their wits only, but they'll break for want of stock. Industry gives comfort and plenty and respect.

ATTENTION TO BUSINESS.

We must oversee our own affairs. The eye of the master will do more work than both his hands.

Want of care does us more damage than want of knowledge.

Not to oversee workmen is to leave them your purse open.

Trusting too much to others' care is the ruin of many.

Add frugality to industry. Think of saving as well as getting.

The Indies have not made Spain rich, because her outgoes were greater than her incomes.

By extravagances, the gentle are reduced to poverty and forced to obtain credit of those whom they formerly despised, but who, through industry and frugality have maintained their standing. Pride is as loud a beggar as want, and a great deal more saucy.

DEBT.

Think what you do when you run in debt. You give to another power over your liberty. If you cannot pay at the time, you will be ashamed to see your creditor, you will make poor sneaking excuses and by degrees come to lose your veracity and sink into base downright lying.

The second vice is lying, the first is running into debt. Lying rides upon debt's back. A free-born American ought not to be ashamed or afraid to see or speak to any man living. The borrower is a slave to the lender, and the debtor to the creditor, disdain the chain, preserve your freedom and maintain your independence.

For age and want save while you may; no morning sun lasts a whole day.

Gain may be temporary and uncertain, but while you live expense is constant and certain.

We may give advice, but cannot give conduck.

HER HEALTH WAS RUINED

Her Life Was One of Pain, But She is Now well

Mrs. Alexander Vaughan, wife of one of the most prominent and extensively known merchant of Prescott, Ark., writes the following letter under date of April 22, 1889:

"I owe the preservation of my life under Providence to Swift's Specific, (S S S). For four years my health was wretched, ruined,—my life, a life of constant pain and misery and torture. Food soured on my stomach, and what I ate today I would vomit tomorrow. My sleep at night was broken with the most horrible visions in dreams, so much so that I could not bear to be left alone; chronic diarrhoe, and a painful cough that threatened me with consumption; my feet and ankles were twisted out of all proportion, and my limbs swelled more or less. I could not walk except on a level floor, and then with difficulty, and for awhile could not get in or out of bed without assistance.

The pressure of a finger on my body would leave its impression, and in short I thought I had dropsy, in addition to my other afflictions.

Two doctors treated me faithfully during these four years but did me no good—the medicines they gave me were as useless as stagnant water. My friends thought I would die, suffering as I was with such a combination of diseases.

In 1887 I discontinued the use of the medicines I had been heretofore taking and began to take Swift's Specific (S S S) Five bottles of this truly wonderful medicine was what worked the miracle of my complete and permanent recovery."

The most delicate constitution can safely use Dr. J. H. McLean's Tar Wine Lung Balm. It is a sure remedy for coughs, loss of voice, and all throat and lung troubles.

The Pulpit and the Stage

Rev. F. M. Shrout, Pastor United Brethren Church, Blue Mound, Kan., says. "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My Lungs was badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 26 lbs. in weight."

Arthor Love, Manager Love's Funny Folks Combination, writes: "After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for Consumption, beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at A. W. Rowland's Drug Store. Regular sizes 50c. and $1.00.

We learn that Purpie Jacobs, one of the Robeson county modern outlaws, was captured after much difficulty, Wednesday, by a party of Croatans. He was shot and knocked down before he would surrender. He is now in Lumberton jail to await his trial at next term of Robeson court. A reward of two hundred dollars will be paid to his capturers.—Maxton Union.

Epoch.

The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health, to the use of the Great Alterative and Tonic. If you are troubled with any diseases of Kidneys, Liver or Stomach, of long or short standing you will surely find relief by use of Electric Bitters. Sold at 50c. and $1. per bottle at A. W. Rowland's Drug Store.

Bro. Duffy, of the Star, has information to the effect that Edison, the electrician and inventor, has sent as a Christmas gift to the little daughter of the late Crown Prince Rudolph, of Austria, a doll constructed with phonographs so as to repeat stories, pieces of declamations, little poems, etc., in French.

"He most lives who thinks the most,
Acts the noblest feels the best,
And he whose heart beats quickest
Lives the longest. lives in one hour
More than in years do some whose
Fat blood sleeps as it slips along
their vain."

These lines describe that condition of perfect health which all men and women wish to enjoy. To be able to think clearly, to incline to do noble, to live and joyously we must be free from the domination of disease By taking Dr Pierces Golden Medical Discovery we may, by purifying the blood escape consumption, general debility, and weakness and all blood and skin diseases, and verify the truth of poetry as well as fact. It is guaranteed to cure in all cases of diseases for which it is recommended, or money paid for it will be refunded.

Travelers should be prepared for the changes of the weather and the effects of exposure by providing themselves wit Dr. Bull's Cough Syrup.

The worst Nasal Catarrh

No need to take those big cathartic pills; one of Dr. J. H. McLean's Liver and Kidney Pillets is quite sufficient and more agreeable.

Baby One Solid Rash,
Ugly, painful, blotched, malicious. No rest by day, no peace by night. Doctor and all remedies failed; tried Cuticura. Effect marvellous. Saved his life.

Cured by Cuticura.

Our oldest child, now six years of age, when an infant six months old was attacked with a virulent, malignant skin disease. All ordinary remedies failing, we called our family physician, who attempted to cure it; but it spread with almost incredible rapidity, until the lower portion of the little fellow's person, from the middle of his back down to his knees, was one solid rash, ugly, painful, blotched, and malicious. We had no rest at night, no peace by day. Finally, we were advised to try the CUTICURA REMEDIES. The effect was simply marvellous. In three or four weeks a complete cure was wrought, leaving the little fellow's person as white and healthy as though he had never been attacked. In my opinion, your valuable remedies saved his life, and today he is a strong, healthy child, perfectly well, no repetition of the disease having ever occurred. GEO. B. SMITH,
Att'y at Law and Ex-Pros. Att'y,
Ashland, O.

Boy Covered With Scabs

My boy, aged nine years, has been troubled all his life with a very bad humor, which appeared all over his body in small red blotches, with a dry white scab on them. Last year he was worse than ever, being covered with scabs from the top of his head to his feet, and continually growing worse, although he had been treated by two physicians. As a last resort, I determined to try the CUTICURA REMEDIES, and am happy to say they did all that I could wish. Using them according to directions, the humor rapidly disappeared, leaving the skin fair and smooth, and performing a thorough cure. The CUTICURA REMEDIES are all you claim for them. They are worth their weight in gold.

Even the most vigorous and hearty people have at times a feeling of weariness and lassitude. To dispel this feeling take Dr. J. H. McLean's Sarsaparilla; it will impart vigor and vitality.

Faults of digestion cause disorders of the liver, and the whole system becomes deranged. Dr. J. H. McLean's Sarsaparilla perfects the process of digestion and assimilation, and thus makes pure blood.

Pimples, blotches, scaly skin, ugly spots, sores and ulcers, abscesses and tumors, unhealthy discharges, such as catarrh, eczema, ringworm, and other forms of skin diseases, are symptoms of blood impurity. Take Dr. J. H. McLean's Sarsaparilla.

There are times when a feeling of lassitude will overcome the most robust, when the system craves for pure blood, to furnish the elements of health and strength. The best remedy for purifying the blood is Dr. J. H. McLean's Sarsaparilla.

Perhaps no local diseases has puzzled and baffled the medical profession more than nasal catarrh. While not immediately fatal it is among the most distressing and disgusting ills the flesh is heir to, and the records show very few or no cases of radical cure of chronic catarrh by any of the multitude of modes of treatment until the introduction of Ely's Cream Balm a few years ago. The success of this preparation has been most gratifying and surprising.

For a safe and certain remedy for fever and ague, use Dr. J. H. McLean's Chills and Fever Cure; it is warranted to cure.

MR. LEE. "Why, Addie, you needn't cry about it! I only said Mrs. Allen was a very well-informed woman, and I wished you would follow her example."
MRS. LEE. "Yes, and last week you said you wished I could manage to look as stylish as Mrs. Allen.—and she makes all her own clothes. But she sez what I haven't."
MR. LEE. "What is that?"
MRS. LEE. "Well, she gets all of her information from the Magazine they take. I admit that she knows all that is going on, and is bright and entertaining in conversation, but I could do as well as she does if I had the same source of information. She lent me the last number of her Magazine lately, and I learned more in one hour's reading, about various social matters and the topics of the day, than I would pick up in a month by my occasional chats with friends. It certainly covers every topic of interest, from the news of the day down to the details of housekeeping; and everything is so beautifully illustrated, too. Every time Mamie goes over to the Allens' she comes back and teases me to get you to take Demorest's Family Magazine, as the stories are so good. Even the boys watch for it every month, as a place is found for them also in its pages; and Mr. Allen swears by it. It is really wonderful how it suits every member of the family!"
MR. LEE. "Well, perhaps I had better send for a Specimen Copy; for, if it is anything like what you say it is, it will amuse and instruct the whole of us."
MRS. LEE. "I see that W. Jennings Demorest, the publisher, 15 East 14th Street, New York, is offering to send a Specimen Copy for 10 cents, so we can't lose anything, as each number contains a 'Pattern Order' entitling the holder to any Pattern she may choose, and in any size—which alone makes each copy worth 30 cents; and I just want a jacket pattern like Mrs. Allen's. The subscription price is only $2.00 a year; and I must say I can't see how they can publish so elegant a Magazine for so little money."
