Have you written me yet? If you want, wisdom and intelligent ambition suggest write to-day. I promise you my special, personal attention. I undertake to briefly teach any fairly intelligent person of either sex, who can read and write, and who, after instruction, will work industriously, how to earn Three thousand Dollars a year in their own localities, wherever they live. I will also furnish the situation or employment, at which you can earn that amount. I charge nothing and receive nothing unless successful, as above. Nothing difficult to learn, or that requires much time. I desire but one person from each district or county. I have already taught and provided with employment a large number who are making over Three Thousand Dollars a Year, each. All is new, solid sure. Full particulars **Free.** After you know all, if you conclude to go no further, why no harm is done. Address,
E. C. ALLEN, Box 420, Augusta, Maine.
