News was received a few days ago of her recent appointment to the responsible position of regional director of the Y. M. C. at Bordeaux, France. Her excellent business ability fits her for the work and no doubt accounts for her appointment.

—The regular monthly union meeting of the Burlington and Graham Christian Endeavor was held in the Graham M. P. church Monday night. Mr. J. O. Corbett, president, presided. The address of the evening was delivered by Rev. Dr. Shaw. The banner for the best report of work last month was awarded to the Senior class of Graham Presbyterian church. The next monthly meeting will be held with Piedmont Presbyterian church the second Monday night in May.

Sweet Potatoes.

Sweet potatoes have ruled so high in price for some months that they have come to be looked upon as a real luxury. Think of paying 50cts. to 75cts. per peck, $2.00 to $3.00 per bushel, for them. Surely such prices should be a real incentive to every farmer and gardner to plant enough to supply his own table. The time was in the memory of plenty people that $1.00 the bushel was considered a good price—a high price—for those which had been saved through the winter. Some years ago fine potatoes were a drug on the market at 15cts. to 20cts. the bushel. Now is the time of the year to make preparation for planting, Raise some. They are palatable. whether high-priced or low-priced.

Mr. J. Calvin Walker Dead.

The death of Mr. J. Calvin Walker will be heard with surprise by his friends throughout the county. He was carried to Rainey Hospital for treatment a few days before his death, which occurred Sunday morning. He was 71 years of age and one of the county's best citizens. His home was in the northeastern part of the county and he was a successful farmer and tobacco raiser and had accumulated a nice estate. The remains were buried at Union Ridge Monday afternoon, funeral conducted by Dr. P. H. Fleming. He was never married. He is survived by two sisters, Mrs. E. A. Trolinger, who lived with him, and Mrs. John W. Smith of Durham, and one brother, Mr. J. Monroe Walker, who lives in the West, and other relatives.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the, most wonderful lemon skin softener, and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands. adv

Graham Well Represented in Charlotte Wednesday.

The fact that Graham has a number of representatives in the 120th Infantry, commanded by Col. Don E. Scott, caused a large number of Graham people to go to Charlotte yesterday to see the parade. As far as we have been able to learn the following went to Charlotte:

Mr. and Mrs. J. L. Scott, Jr., Mr. John Scott and Miss Blanche Scott, parents and brother and sister of Col. Scott, Mr. and Mrs. Will E. White, Mr. and Mrs. T. C. Moon, Mr. and Mrs. J. D. Kernodle, Mrs. J. J. Henderson, Misses Minnie Long, Emma and Luta Harden, Julia, Lola and Myrtle Cooper, Lorena Kernodle, Frances Moore, Duke McCracken, Margaret and Mary Hunter, and Chas. A. Scott, Lynn B. Willianson, Wm. I. Ward, F. W. Terrell, Arthur P. Williams, Walter E. Bason, Armstrong Holt, W. A. Bradshaw, W. H. Albright, David Long and Robert Tate.

Col. Don E. Scott's Parents and Family in Charlotte Yesterday.

The following from this morning's Charlotte Observer gives names of Col. Scott's family from Alamance who were interested spectators at the soldiers' parade in Charlotte yesterday:

Mr. and Mrs. John L. Scott, Jr., and daughter, Miss Blanche Scott, of Graham, and Mr. and Mrs. Charles Causey, the latter a daughter of Mr. and Mrs. Scott, arrived in the city Tuesday night to attend the celebration in honor of the 120 infantry. Dr. and Mrs. J. Mel Thompson of Mebane and Mr. John Scott of Graham arrived in the city yesterday morning. They all came especially to see Col. Don E. Scott, son of Mr. and Mrs. John L. Scott, Jr.

Mr. and Mrs. Causey's many friends will be interested to know that they have given up their residence in Anderson, S. C., where they have lived for the past eight years, and have moved to Greensboro. Mr and Mrs. Causey have four sons, Charles, Jr., Jack Scott, Spencer and Frank. Mr. Causey formerly lived in Charlotte and is pleasantly remembered here by a host of friends. Mrs. Causey, prior to her marriage, was Miss Bess Scott. She is a charming and attractive young woman and is well known and popular in Charlotte.

Colonel Scott's wife and little daughter, Jean Gray, who went to Columbia to meet him, arrived in Charlotte Tuesday night.

Death of Mrs. Chas. D. Johnston.

Last Friday morning at 8 o'clock Mrs. Chas. D. Johnston passed away at her home here after an illness of about four weeks. She was in the 40th year of her age. The funeral was conducted from the home at 11 o'clock Saturday morning by Dr. P. H. Fleming, assisted by Revs. F. C. Lester and J. G. Truitt, after which the remains were laid to rest in Linwood cemetery. Mrs. Johnston is survived by her husband and five small children—four girls and one boy, who mourn a devoted and faithful wife and a loving and tender mother. Mrs. Johnston's maiden name was Smith. She was born and reared in Rockingham county, where her father now lives. She is also survived by several brothers and sisters. Mrs. Johnston was a member of the Christian church and a faithful and ever ready worker. Many friends came from different parts of the county to pay the last tribute of respect to her memory. The wealth of beautiful flowers placed upon her grave betokened the love and esteem in which she was held by friends far and near. The sorely bereaved husband, children and relatives have the heartfelt sympathy of their many friends and acquaintances.

Comfort of Body

Many children and adults are constant sufferers from cold hands and feet and are acutely susceptible to every chill and sudden climatic change. There is definite help in

SCOTT'S EMULSION

which furnishes fuel to warm the body, helps make pure, red blood and maintain the system in a state of robustness, so that the buffeting winds or the sudden chill of evening are enjoyed rather than feared. For comfort of body and bouyant health, take *Scott's Emulsion*.

Gossard Corsets

The Original, Unequalled Front-Lacing Corsets are Hygienically Correct.

HEALTH should be the first consideration in the purchase of your corset. Only by a thorough appreciation of this fundamental fact can any woman guard herself against those bodily ailments that are so often the resuls of improper corsetry. The woman who buys her corset largely for appearance without proper regard for its hygienic qualities is nearer the hospital every time she puts it on.

There ere many reasons why you should wear Gossards besides the obvious one that they are a gratifying acquisition to the daintiest wardrobe. The real value in these inimitable corsets cannot be measured in terms of cloth, boning and lace. They must be measured in terms of health, comfort and style.

During the war abnormal conditions made the material question a serious one for every manufacturer. The tremendous demand for Gossards grew from day to day, adding to the manufacturer's problems. Huge factories working at capacity could not meet the situation. A tribute indeed to Gossard supremacy.

Wear Gossard CORSETS They Lace In Front

Our best efforts at production are still taxed by the demand that is growing larger day by day as women come to the fuller appreciation of what Gossards accomplished in sustaining Ameican womanhood thru the world war. But now, happily, the war is over, and our raw material and labor problems are of the past.

This year Gossards of quality, excelling even the highest standards of past years, will be produced, and will attain a perfection never before reached in corset manufacture.

The name GOSSARD in your corset is your guarantee of health depending on a hygienically correct support to the abdominal and back muscles that leaves no chance of undue pressure at the waistline. A healthy body is a correctly poised body; Gossard corsets induce correct posture, correct breathing and protect the organs of nutrition.

COMFORT—assured by the exact science of Gossard designing for every type of figure.

STYLE—only to be found in a correctly poised body induced by a correctly designed and fitted corset.
