"There's something in a flying car,
There's something in a huge balloon;"
and if the Poet Woodworth had given to his sick horse or sow a certain popular remedy, he would undoubtedly have added in conclusion—
There's something in a dose of powders.
Every dose of these powders speak for itself. It cures all the diseases of horses and cows, and its effects are daily perceptible. If you have a sick horse or cow—haggard, broken down and worm out with diseases—administer the powders, and watch the result. It is, without any equivocation, the greatest horse and cattle medicine in the world.
