Commencement at Statesville

We have been requested by the Superintendant to state, that a special train will be run on the Western N. C. R. The train will leave here in the morning and return the same evening, and if a goodly number of our citizens will go—enough to justify it—they will be permitted to go and return on the same ticket, that is for half fare.

The annual address will be delivered by Ex-Governor Vance, and we have no doubt there will be a pleasant time generally.

MAGGIEL'S FEVER AND AGUE CURE.

DR. J. MAGGIEL'S Fever and Ague Pills also cure Chills and Fever. They are an infallible tonic for the system in all miasmatic districts, and should be kept in the medicine chest of every family.

A box of PILLS will be sent *free* to any suffering with the above complaints, and no money need be returned by the patient until he feels that he is getting cured by the use of MAGGIEL'S CHILLS and FEVER PILLS

☞ They are sold by all Druggists at $2 00 per box, and a perfect cure is guaranteed with from one to three boxes, if the directions are implicitly followed.

☞ Sold by all Druggists and Dr. J. MAGGIEL, 43 Fulton Street, New York, at $2 00 per box, and to whom all orders should be addressed.

☞ Caution.—I have noticed with much pain that many Druggists, both at home and abroad, are offering my Billious and Diarrhœa Pills to patients for the cure of Chills and Fever, and Ague. My Billious and Diarrhœa Pills are infallible for what they claim to be, but nothing more. Do not then be imposed upon. My Chills and Fever remedies have their name on the boxes, and are entirely different from any of my other medicines. I have been at considerable expense to have a label engraved difficult to counterfeit, and it is hoped that the consumer will narrowly scrutinize what he purchases, purporting to be mine.

State of North Carolina, } Treasury Department. RALEIGH, June 4th, 1866. }

Notice to Holders of North Carolina Bonds and Coupons.

I am prepared, in accordance with the provisions of the act of March 15th., 1866, known as the "Funding act," to deliver bonds of this State of the denomination of $1000 in exchange for past due bonds and coupons of bonds of the State issued under acts passed prior to May 20., 1861.

The $500 and $100 bonds are promised by the engraver in a short while.

The new bonds are six per cent untaxables, dated January 1st., 1866, running thirty-four years, with semi-annual coupons, payable, as is also the principal when due, at the National Bank of the Republic in New York.

Applicants must pay in the proper securities or in currency the value of the bonds to date of payment, including interests from July 1st., 1866, the law requiring they should be sold at par.

Coupons or past due bonds may be forwarded for exchange directly to me, (at the risk of the holder,) and bonds will be returned in exchange, provided some party is authorized to sign receipts on my books.

For example, if a holder forwards his securities by Express, let him authorize the Express Company to receive, and receipt for the bonds.

Where coupons are payable in New York, the bonds from which they are cut need not be forwarded; but only the coupons.

The same rule applies to coupons payable at Raleigh during the war, of the Western Rail Road and the Western North Carolina Rail Road, as I can identify them without the bonds.

Coupons of bonds issued to the Wilmington, Charlotte and Rutherford Rail Road Company, July 1st., 1862, must be forwarded to this office *with the bonds* for identification.

Past due coupons, including those of date of April 1866, will be funded now,—the July and October 1866 coupons when due.

Bonds past due bear interest from maturity, which interest is fundable. Bonds of Cape Fear and Deep River Navigation Company endorsed by the State, stand on the same footing as State bonds.

Holders of registered bonds must forward a receipt for the interest due to last regular day of payment.

The minor details of the exchange will be arranged by correspondence.

The Cosmopolite.

ON THE FIRST OF JANUARY WE WILL commence the publication, in the city of Baltimore, of a monthly literary magazine. There is no publication of this character now issued South of New York city, and the closing of the war has left a large portion of the people of the country with no literary representative.

The Cosmopolite will be devoted to literature, art, reviews, scientific reading, and we shall number among its contributors some of the first literary men of the South, with others from the North, and from London and Paris.

All matter not original will be carefully selected from the newest and best of the English, French and German Publications: and its Editors will spare no effort or expense, to make it rank with the very first Magazines of the country.

As its name imports, we have established the Cosmopolite upon no sectional basis. We hope to make it the order of general literature alone: and will be uninfluenced by any party or clique whatever. It will be mailed to subscribers in any part of the country upon receipt of the following
