LATEST NEWS.

Late and Interesting from Europe—Important Success s of the Prussians

NEW YORK, July 15, P. M.

The steamer America has arrived, with Southampton dates to the 4th.

Cotton market quiet and unchanged. Sales for the two days previous to sailing, 18,000 bales.

Flour flat and one shilling lower. Wheat three pence lower and dull. Corn declined six pence. Turpentine dull.

Consols 86½a86¾ 5-20's 65a65¼.

Lord Derby has formed the new Ministry. He is Premier, Disraeli Chancellor of the Treasury and leader in the House, and Lord Stanly Foreign Secretary.

The Prussians had carried Gitschin by storm after an obstinate defence, and a junction was effected between the army of the Elbe, under Prince Frederick Charles, and the army of Silesia, under the Crown Prince. 5,000 prisoners were captured at Gitschin.

The losses of the Austrians in the series of combats they have lost are estimated at 20,000 killed and wounded and 15,000 prisoners. In the battles of the 28th and 29th, the corps of the Austrian General Goblentz was nearly broken up. It lost 24 guns and 8 flags.

It is officially denied that the Prussians lost 18 guns, as stated by a Vienna dispatch. The Prussians have not lost a gun.

The Austrians have retired to a strong position between Josephstadt and Koniniggratz. Their retreat is said to have been precipitate.

The army of the Elbe had advanced beyond Gitschin. The King of Prussia visited the army on the 3d.

The London *Times* says that, horrible as the carnage has been, it is but the prelude to the pitched battle now unavoidable, in which 250,000 men will be engaged on either side.

Victor Emanuel had sent a telegram to the King of Prussia, congratulating him on the victories of his army. The operations between the Italians and Austrians had been confined to skirmishing. The former were preparing for another onslaught and the soldiers were eager for the fray.

The revolt in Spain had been suppressed.

The Great Eastern, with the cable, passed the Isle of Wight on the 1st, *en route* for Valentia.

Still Later from Europe.

NEW YORK, July 16.

The Nova Scotia, from Liverpool, with dates to the 5th, has arrived.

Sales of cotton for the week 88,000 bales.—Market closed buoyant, with an advance of from ½ to ¾ pence, owing to the prospect of peace.

Breadstuffs very dull.—decline in all qualities. Provision market inactive, but prices steady.

A great battle occurred on the 3rd., near Ludowa, in which the Prussians gained a complete victory, capturing 14,000 prisoners.

There was terrible loss in both armies.

Austria sent in a flag of truce and has agreed to a cession of Venetia and accepted Napoleon as Mediator. Napoleon immediately communicated with the belligerents.

The Prussian and Italian reply to the proposition has not yet transpired. There are rumors that Prussia's reply is not favorable.

In London, however, peace is regarded as virtually concluded.

These Life-giving remedies are now, given publicly to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS,

Have been used with the greatest success. Their missioners not only to prevent disease, but to cure.—They search out the various maladies by which the patient is suffering, and revigorates the failing system. To the aged and infirm a few doses of these valuable pills will prove to be

A VERY FOUNTAIN OF YOUTH.

For in every case they add new life and vitality, and restore the warning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and sterling medicine. Cannot stay the flight of years, but they can force back and hold aloof, diseases that might triumph over the aged and young. Let none hesitate then but seize the favorable opportunity that offers. When taken as prescribed—

FOR BILLIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their alwost magic influence is felt at once, and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in described doses to the youngest babe.

FOR CUTANEOUS DISORDERS

and all eruptions of the skin, the salve is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil!

PROSPECTUS OF THE

RUTHERFORD STAR

The Undersigned propose to publish, in the village of Rutherfordton, a weekly Newspaper to be called "The Rutherford Star."

It is our desire to make The Star a welcome visitor to all those who feel an interest in the prosperity and welfare of our country as a whole, and the perpetuity of our institutions, as handed down to us by our noble ancesty, a Federal Republican Government.

Our people have but lately emerged from a gigantic civil war, waged by and between Sections of a once glorious Union, and more desolating to our particular section, than anything that has ever happened on this continent, and it is to be hoped, than ever will again.

While there is life there is hope, and notwithstanding the great changes wrought by the late civil war, we shall encourage the people to honesty, industry and economy, we shall take special pains to keep them posted with all beneficial improvements of the age, so that they may once more enjoy bountiful stores, prosperity and happiness.

We shall from time to time publish such laws, both State and National, as our people are directly concerned in, and shall likewise use our influence to establish a sound circulating currency, so much needed at the present time.

We shall be governed by principles and not men, for according to our honest conviction, the present condition of our country is owing to the abandonment of principles, we mean the abandonment of those fundamental principles upon which the Government of the United States was reared.

We shall favor and encourage the development of all our resources, Agricultural, Mineral &c., and likewise such internal improvements as will most likely be beneficial to the Country, and especially the extension of the Wilmington, Charlottee and Rutherford Rail Road west.

As to Politics we are True Conservatives, believing neither in the Fire Eaters of the South, nor the Radicals of the North, but in the Constitution, the Union, and the enforcement of all Constitutional laws, whether State or Federal, and a ready and willing obedience to the same.

The Star will be published every Wednesday at the following rates, (strictly in advance,) payable in currency or produce at market prices.
