The Chatham Record

THURSDAY, OCTOBER 7, 1886.

LOCAL RECORDS.

OUR COUNTY TICKET.

FOR THE SENATE,
H. A. LONDON.

FOR THE HOUSE,
CHARLES E. HOUSTON,
CARNEY W. BYNUM.

FOR CLERK SUPERIOR COURT,
S. M. HOLT.

FOR REGISTER OF DEEDS,
L. R. EXLINE.

FOR SHERIFF,
S. W. BREWER.

FOR CORONER,
W. S. PETTY.

FOR SURVEYOR,
RUFUS B. CLEGG.

☞ Subscribe for the RECORD and keep posted on current events.

☞ The first frost of the season was last Sunday. Not much damage done.

☞ Mr. B. G. Womble, of Moncure, has a lot of good seed wheat for sale cheap.

☞ Mr. Spencer L. Riddle, a former citizen of our town, died at Raleigh on last Saturday, aged about 67 years.

☞ Mrs. B. B. Stinson, of Gulf township has sent the RECORD the largest pear that we have ever seen. It weighs a pound and a half.

☞ Mr. John T. Mann, of Baldwin township, has brought the RECORD's museum a hen egg that has a handle to it, and is quite a curiosity.

☞ Messrs. F. N. Strudwick and J. A. Long will speak with the county candidates at Fearrington's mill, in Williams township, on Saturday, the 16th of this month.

☞ Mr. Joseph O. Petty, of Hickory Mountain township, has brought to the RECORD office the largest cotton stalk that we have ever seen. It looks like a young tree.

☞ We are pleased to learn that our clever young countryman, Mr. C. L. Riddle, was among the successful applicants before the Supreme court this week for licenses to practise law.

☞ Read the advertisement of the Buffalo Warehouse at Jonesboro', whose energetic proprietors, although it is only a year old, have made it one of the best markets in the State for tobacco.

☞ Bynum & Headen have just received a nice lot of Jersey and Ladies' Bugle Jackets, Parson's, Myers' and Zeigler's Ladies Shoes, a couple of gentlemen's Gaiters, and some of the best Brogans.

☞ Our energetic countryman, Mr. Walter D. Moore, is the self nominated republican candidate for clerk of the Superior court. Well, he is young and hopeful and can stand a defeat as well as any man we know.

☞ A colored man, named George Lambeth, was very severely hurt by a cotton gin in Gulf township, a few days ago. His left arm was so badly lacerated that it had to be amputated near the shoulder, and his left side was injured.

☞ The many friends of Mrs. Emily Crump will regret to hear that she died quite suddenly last night from an attack of paralysis. She was a daughter of the late Gen. Cotten, and was a lady of most estimable qualities.

☞ We take pleasure in calling attention to the advertisement of the well known house of W. H. & R. S. Tucker & Co. One of the firm, Mr. G. W. Poe, and one of the best clerks, Mr. D. L. Webster, are Chathamites who are always glad to serve their old countymen.

☞ Sample Brown, Greensboro, is now receiving a very extensive line of Carpets of all grades from the cheapest to the finest goods, a much fuller line than has ever been carried in Greensboro. Also Curtain Goods and Curtain Poles and Curtain Rods of all kinds.

☞ As will be seen from an advertisement in another column, Mr. Walter D. Moore has taken charge of the tobacco warehouse at Siler City, and the grand opening sale will be had on the 26th. We hope our countymen will patronize the only warehouse in our county, and one at which as high prices are paid as anywhere.

☞ Keep your feet dry. London has received this week a full Winter Stock of Shoes and Boots which he will sell at a very small profit for cash. You will find this one of the best and cheapest Stock of Shoes we have ever had. Would call your especial attention to London's heavy Boots. Give him a call before you buy.

☞ If you wish a Sewing Machine, you can now buy one cheap. London has on hand a few Domestic and Davis Machines which he will sell very low for cash to make room for his Mammoth Stock of Winter Goods he will have. He will be obliged to have more room, and these Machines must go. He has also a few second hand machines, he will give away.

THE "DISINFECTED" DEMOCRATS.—Last Tuesday was the day advertised for the "disinfected" democrats of Chatham to hold a county convention, for the purpose of nominating candidates in opposition to the regular nominees, but alas! for the vanity of human aspirations, it was a most dismal failure. In the first place no convention was held, although "chairman" Bland was here busy circulating in the crowd and doing his best. Either they were afraid or ashamed to hold a convention and openly expose themselves to public ridicule and contempt. But the leaders held numerous and various private caucusses and much secret talk was indulged in. It was amusing to see them slipping around and dodging behind trees and the corners of the court-house in secret consultation. They looked and evidently felt like they were ashamed to be seen by honest men!

As yet they have not openly announced who their candidates will be. We have heard several names mentioned, but we will not publish them, for fear of slandering an innocent man. Some of them are said to have been delegates or candidates at our recent county convention, but this is hardly credible, as we dislike to think that there is any man in Chatham so mean and contemptible as to be guilty of such a dishonorable act.

Well, whoever they are they will have a hard road to travel, and will be a set of the worst defeated candidates ever known in Chatham!

SUPERIOR COURT.—The Fall Term of the Superior Court of this county began last Monday, Judge Connor presiding. His honor arrived on Saturday and opened court promptly at 10 o'clock on Monday. And just here we cannot refrain from calling attention to the promptness with which our democratic judges open their courts. This is in pleasant and striking contrast to the habit of Judge Clark, when he was our Judge. During all the years that he held court here he seldom, if ever, opened court on Monday morning, but kept witnesses, suitors and jurors all waiting for a day or two until it suited his pleasure to come.

The grand jury was drawn and empanelled with Mr. W. C. Cole as foreman. The Judge's charge was a very clear and plain statement and explanation of the duties of grand jurors and of the offences of which they have cognizance. Solicitor Strudwick was promptly on hand and at once proceeded with the State docket. This is the first court that he will attend in this county as Solicitor, but we hope he will continue to attend our courts as a practising attorney. For twelve years he has been our Solicitor, and has made many warm friends among our countymen, as I we confidently assert that he is one of the best Solicitors this State has ever had.

The following criminal cases are the most important that have been tried:

State against W. W. Womack: resisting an officer: submitted and sentenced to 60 days imprisonment.

State against Jacob Rogers: the defendant was convicted at Fall Term, 1885, of burning Mr. Hadley's mill, and he appealed to the Supreme court, which affirmed the judgment: sentenced to 3 years in the penitentiary.

State against Nelson Teague: indicted for larceny: verdict guilty, and sentenced to the penitentiary for four years.

State against Edward Thompson (colt), indicted for burglary: submitted for larceny and sentenced to the penitentiary for ten years.

State against Alida Wrenn (colt): indicted for rape. This case attracted much attention. The prisoner having no counsel, the Judge assigned Messrs. J. J. Jackson and James S. Manning to defend him, and they did all that their duty required, but the proof of guilt was too plain. The jury retired for a few minutes only and then returned a verdict of guilty. The Judge then sentenced the prisoner to be hanged on Thursday, the 11th day of November, between the hours of 8 and 10 a. m. In passing sentence the Judge addressed the prisoner in a most solemn manner, amid the breathless silence of a crowded court-room.

State against James E. Johnson. The defendant in this case was indicted for killing his brother, Charles A. Johnson, and was defended by Hon. John Manning and H. A. London. Great interest was taken in this trial, the court room being crowded, many ladies being in attendance. The following good and true men were empanelled as the jury: Elias Harris, J. R. Andrews, J. D. Griffin, J. T. Whitehead, J. J. Palmer, J. J. Goldston, Marshall Oldham, R. Jas. Powell, Mark Smith, Robert G. Fearrington, Thomas J. Harrington and J. W. Knight.

The defendant introduced no witnesses, and, after argument of counsel and the Judge's charge, the jury retired for only a few minutes and then rendered a verdict of not guilty.

The weather has been fair and pleasant for court-week, and on Tuesday a very large crowd was here. The horse-swappers were not in as full force as usual, and the "old rips" that were here seemed to be poorer than ever, some of them nothing but skin and bone. The chief source of amusement to many persons was the "flying jenny", which seemed to be well patronized. Good order prevailed, though there was a good deal of drunkenness.

The trial of civil cases will begin today and it is thought all the business will be disposed of this week, and that no court will be held next week. Judge Connor has made many friends with our countymen by the affability of his address, the courtesy of his manners, and the ease and fairness with which he dispatches business.

POLITICAL SPEAKING.—There was considerable political speaking here on last Tuesday. The speakers were the two candidates for Congress, Maj. Graham and Mr. Nichols, and the two candidates for Solicitor, Messrs. Long and Strayhorne. Gen. Cox also spoke, and his many friends here were much pleased to hear him. Maj. Graham made a most favorable impression, and his speech won him many votes and stopped the grumbling of many. Mr. Nichols made quite an artful and demagogical speech, but it made no impression on the honest democrats of Chatham. Messrs. Long and Strayhorne are both pleasant speakers, but of course it is a one-sided race and Mr. Strayhorne will have all his trouble for nothing.

On the whole the speaking was a decided democratic success, and its effect will be to increase Chatham's usual majority.

COUNTY CANVASS.—The county canvass will begin on Friday of next week at Pace's mill, in Baldwin's township, and close at Johnson's, in New Hope township, on Saturday before the election. The following is a list of the times and places when and where the county candidates will speak:

Pace's mill,	Friday,	Oct. 15
Fearrington's,	Saturday,	" 16
Pittsboro',	Monday,	" 18
Hickory Mt.,	Tuesday,	" 19
Hadley's,	Wednesday,	" 20
Albright's,	Thursday,	" 21
Siler City,	Friday,	" 22
Harper's X Roads,	Saturday,	" 23
Gulf,	Monday,	" 25
Egypt,	Tuesday,	" 26
Lockville,	Wednesday,	" 27
Buckhorne,	Friday,	" 29
New Hope,	Saturday,	" 30

The sheriff will also attend at the above appointments for the purpose of collecting taxes, but we hope that will not deter the people from coming out to hear the candidates.

A SLANDER REBUKED.—In the discussion between Maj. Graham and Mr. Nichols that recently took place at Raleigh, Mr. Nichols stated that Maj. Graham, as a senator in 1870, had voted for a negro for assistant doorkeeper against Capt. Bill Webster, of this county. This slander was being extensively circulated against Maj. Graham, and, as we knew it could not be true, we made inquiry of Capt. Webster about the matter, and he sent us the following letter, which we publish as a matter of justice to Maj. Graham:

"OAK HILL, N. C., Oct. 2, 1886.

To WHOM THIS MAY CONCERN:

I have been informed that Maj. John W. Graham, our candidate for Congress, has been charged with voting for a negro for assistant doorkeeper of the Senate in 1870 against me. This is to certify that I never was a candidate before the democratic caucus for any position in the Senate, consequently this charge is false.

Witness, W. S. WEBSTER."
S. J. TALLY.

Sandy Creek Association.

The 128th session of the Sandy Creek Baptist Association met with the church at Mt. Olive on the 30th of Sept.

The introductory sermon was preached by Rev. J. F. Moore, in the absence of Rev. J. L. Smith, who was sick.

The delegation was large, nearly all the churches being fully represented.

The officers of last year were re-elected, viz: Rev. W. H. H. Lawhorn, Moderator, Rev. J. W. Calder, Clerk, and J. D. Dorsett, Treasurer.

The letters from the churches reported considerable accessions during the Associational year.

Committees were appointed and reported on Foreign Missions, Home Missions, State Missions, Education, Sunday Schools, Temperance, Religious Periodicals, and the Baptist Orphanage. $378 in cash were sent up by the churches, besides this considerable sums had been given by the churches and individuals during the year. The collections during the session amounted to $75 or $100. The Association agreed to make an effort to raise $600 during the next year, for Missions, Education &c.

The ministers belonging to the Association, and in attendance, were: Rev's W. H. H. Lawhorn, J. W. Calder, M. Baldwin, O. T. Edwards, E. P. Ellington, J. W. Watson, J. F. Moore, O. Churchill, J. D. Hackney and P. A. Furgerson. Rev's C. S. Farriss, Associate Editor of the Biblical Recorder, C. A. Jenkins, of the Oxford Female Seminary, G. P. Moore, R. A. Moore, R. R. Moore, C. C. Newton and J. Newton were visiting ministers.

Bro. J. E. Ray, the corresponding Secretary of the State Mission Board, was present and ably represented his work.

The congregations were large from day to day, and there was preaching at the stand in the grove, every day, morning and evening, and at night in the house.

The next session will be held with the church at Gum Spring, beginning, on Thursday, before the first Sunday in Oct. 1887.

The meeting was one of much interest and profit, and indicated decided progress in the work of the body. We shall not soon forget the kind and bountiful hospitality with which the Association was entertained. M. BALDWIN.

A Horrible Murder.

RALEIGH, Sept. 29.—Last Thursday night the store of A. D. Owens, at Cresswell, Martin county, was entered by burglars. Owens' dwelling adjoined the store. He heard a noise and as he stepped to the door he saw two burglars, one of whom raised a gun and fired. Forty buckshot entered the stomach of Owens, who in a few moments was a corpse. Since that time the authorities have been on the track of the murderers. Monday night Sheriff Spruill arrested at Plymouth the wife of the murdered man and two negroes. Another negro, James Davenport, alias Ambrose, was shot and killed. One of the negroes made a confession some days ago as follows: That Mrs. Owens hired them to kill her husband. She wished them to drown him, and had prepared water in a barrel for that purpose. She gave him medicine to put him in a sound sleep, and the three negroes actually stood by his bedside ready to commit the crime; but their courage failed them. Finally, Ambrose, some nights afterward, entered the store and when Owens appeared shot him. Ambrose was pursued, and on making a desperate attempt to kill a member of the sheriff's posse was shot through the heart.

Mrs. Owens and the two negroes are in jail at Plymouth.

Frost in the Mountains.

ASHEVILLE, N. C., Oct 2.—The first frost of the season made its appearance in this section this morning. In some parts of Buncombe county it was heavy and vegetation has been injured. The tobacco crop is not yet housed and much of it is reported damaged. The cutting and curing is rapidly progressing, as the planters fear additional frost tonight.

Thus far New York has contributed $150,000 for the relief of Charleston sufferers. Of this the Chamber of Commerce gave $80,000. This is both admirable and generous.

Day's Horse Powder is reduces the natural tendency of swine to take on flesh: it is the best in use.

Dr. Bull's Baby Syrup is always safe and reliable and never disappoints. Give it a trial. 25 cents.

Prevent trouble by taking Dr. Bull's Baltimore Pills before costiveness becomes constipation.

"Sells like hot cakes." Dexel's Bell Cologne.

You can't work to much purpose unless you are well, but you can build up your health and strength with Parker's Tonic, and work will then become easy. It sets the lungs, liver and kidneys in working order. Coughs and colds vanish before it. Take it in time.
