Keep it before the people, that I told the people six months ago, that I intended to run through my campaign, with my motto to give each and every individual value received, for their valuable support, giving the Ladies a fine opportunity to exercise there fashionable rights, as well as the gentlemen, and since that time thousands have shown their good judgment by coming and demonstrating the truth of my assertion. I tell you Creech's is the place. And permit me to return my sincere thanks for your very liberal and valuable patronage for the last twenty five years. I hope by strict attention to business and honest dealing, giving each and every one the worth of their money that I will continue to receive a liberal share of your patronage. LIFE INSURANCE.

Accumulated Capital, over	$10,000,00
Annual Income,	6,000,000
Surplus, above Liabilities,	2,000,000

THE ÆTNA

Has $136 Assets for every $100 Liabilities.

ALL POLICIES STRICTLY NON-FORFEITING.

CASH RATES!
CASH POLICIES!
CASH DIVIDENDS!

DIVIDENDS PAID ANNUALLY, COMMENCING AT THE END OF THE YEAR.

Dividends may be used to reduce the annual Premium or increase the Cash value of the Policy.

NON-FORFEITING CASH PLAN.

The Ætna issues Policies on the various forms of whole life and endowment insurance, with dividends on the contribution plan, which may be applied to the reduction of each annual premium after the first, or the full premium, may be paid each year and the dividens applied to reduce the number of annual premiums, together with the period fixed for the maturity of the insurance, so that endowments can be paid to the insured before the time originally specified, and life policies before death.

By this plan of applying the dividends to lessen the cost of the insurance on the original policy, instead of increasing the amount of insurance, and of course its total cost, and the policies will become self-sustaining much sooner than in other companies; and in case of inability to continue payments, give a larger paid-up-policy.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to the Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid as cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is pecuniarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

The New York *Insurance Monitor* says of the ÆTNA:

"No Life Insurance Company ever achieved so complete a success as this popular institution. Its popularity is along, unprecedented in the annals of commercial enterprise in this country."

$17,000,000 IN GOLD.

I am now prepared to Insure all kinds of

PUBLIC AND PRIVATE BUILDINGS, RAILROAD DEPOTS, SHOPS, ROLLING STOCK, BRIDGES AND TRACKS, FACTORIES FOUNDRIES, MILLS AND MERCHANDISE,

IN ANY PART OF NORTH CAROLINA AT EXCEEDING LOW RATES.

I will when desired issue Permanent Policies which insures the property specified forever, unless the assured chooses to cancel his Policy in which event all the premium he has paid will be returned less five per centum.

The loss of a Court House or other Public Building at the present time would be a public calamity, whereas a trifling amount paid for a policy WILL SECURE A SUFFICIENT SUM TO REBUILD SHOULD THE PROPERTY BE DESTROYED BY FIRE.

SAY OF THE

BROOKLYN LIFE!

"A Company that makes such endorsements on its policies gives the strongest pledge that it will fulfil its trust faithfully, and keep its reserves sufficient."—HON. ELIHU WEIGHT.

"The BROOKLYN LIFE has placed itself in the vanguard of insurance reform, and is the first Company that has done full and complete justice to the insured."—INSURANCE TIMES, Jan. 1869.

THE BROOKLYN LIFE, ALONE OF ALL OTHER LIFE INSURANCE COMPANIES, GUARANTEES A DEFINITE SURRENDER-VALUE IN CASH, AND EVERY POLICY ISSUED BY THAT COMPANY, BEARS A CERTIFICATE STATING WHAT THIS EXACT WORTH WILL BE IN DOLLARS AND CENTS, AT ANY TIME, AFTER THE PAYMENT OF TWO OR MORE PREMIUMS.

"The BROOKLYN LIFE has made no half-way work of the adoption of this inestimable feature. It is noteworthy, in this connection, as a merited tribute to the excellent Company (Brooklyn Life,) which has so gallantly raised the standard of reform in Life Insurance, that we find in the whole list of existing Companies, few competitors which deserve so much credit in respect of economy of management, or care, skill and judgment in the selection of risks."—INS. SPEC. Jan. 1869.

The BROOKLYN LIFE has paid, and now pays to its policy-holders, LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

BEAUTIFUL INK.

I HAVE JUST RECEIVED A LOT OF BROWN'S Manufacture Violet Writing and Copying Ink. The most beautiful ink for correspondence. It writes black, but may be used some days before it turns black. It is nicely put up in bottles of various sizes, ranging in price at from 10 cts. to $1.00.
