Neat Job Pulled By Pickpocket At Pores Knob Church

Coyt Parlier Loses Flashlight; Other News From Pores Knob Section

PORES KNOB, Route 1, Aug. 22.—Rogues seem to be getting very needy judging from the way one did last Thursday night at New Hope church. After the service was over at the church and as it was raining Coyt Parlier stepped out in the church yard to a car to get a wrap for his sister. He then retraced his steps and was standing near the church door waiting for her when some scoundral snatched his highly prized, Sol Ray, nickel-plated, two cell flashlight from his pocket. He then ran just as fast as his legs would carry him. Coyt gave chase to a corn field, near the church, where the young rogue left the road. It was very dark but seeing two other fellows approaching Coyt thought perhaps he could yet catch him and get his light. He stopped them, explained the situation and asked them if they would assist him in catching the thief. The answer he received was "We don't have time" followed by two hard knocks across the temple with their flash light. They then left the scene leaving Coyt there in the dark by himself with no light or help.

Miss Grace Gilreath and little brother, Edwin, of Wilkesboro, spent last week in the home of their grandfather, Mr. E. C. Moore.

Mr. Floyd Costner and Willard Baper, of Alexander county, spent several hours in the home of Mr. and Mrs. E. F. Parlier, one night last week. Willard's little brother who fell from a tree sometime ago breaking both arms in two places each, who is in a hospital at Statesville seems to be getting along nicely.

Mr. and Mrs. E. C. Moore, accompanied by Mr. and Mrs. E. V. Hendren, motored to Wilkesboro Sunday to visit relatives.

Misses Mildred, Theda and Beulah Mae Costner, of Tennessee, is in this section visiting relatives and friends. They expect to return home in about two weeks.

Mrs. Odell Moore has had the misfortune of getting poisoned right badly. Her eyes have been swollen almost shut but they are some better now.

The revival meeting begins at Bethany church next Sunday at eleven o'clock. Let's make the meeting a success by our presence.

Mr. W. G. Johnson and family motored to Iredell county last week-end to visit relatives and friends.

Miss Minda Parlier, who has been visiting her sister, Mrs. Meadie Redmond, in Statesville, has returned home.

Mr. Clyde Costner and family spent last Sunday evening with Mr. and Mrs. J. A. Costner.

Miss Pauline Johnson, who has been working at Moravian Falls for sometime, has returned to her home in this section.

Notice of Sale of Land For Town Taxes For The Year 1932

Under and by virtue of authority conrerred by Consolidated Statutes governing the sale of land for taxes, and by virtue of an order passed by the Beard of Town Commissioners of the Town of North Wilkesboro, N. C., I will on Monday, September 11th, 1933, at the hour of twelve o'clock noon, at the Courthouse door in Wilkesboro, N. C., offer for sale at public auction to the highest bidder for cash, the lands hereinafter described, situated in the Town of North Wilkesboro, N. C., listed in the name of persons hereinafter mentioned, to satisfy delinquent taxes for the year 1932 as shown below: (Penalties, Costs of advertising, etc. will be added to the amounts shown below).

S. L. Stafford Writes

Editor Journal-Patriot:

The article in the Public Pulse column of your paper of July 27 by Rufus R. Crater, was a true picture of our times and the reason that of departing from God and His laws, the chief reason. This has ever been true since man though "created in the image of God' received a knowledge of evil through transgressing His command, till as recorded in Gen. 6 and 7, the creator decided to destroy that world of transgressors and try again. But we find that soon in prosperity the people forgot the giver in the use of His blessings. Ezek. 16:49, And Sodom and Gamorrah, and the cities of the plain, were destroyed in an effort to check the flood of evil, though Abraham, a type of Christian tried to intercede for Sodom. Again these descendants of Abraham, though having seen the wonders in the deliverance from Egyptian bondage and at the Red Sea forgot God in the absence of their visible leader and in their hearts voluntarily returned to bondage, and though Moses successfully interceded for them, their later history recorded in Holy writ was a succession of forgetting God in prosperity, and returning in adversity, till upon the arrival of the Savior we find them looking for a deliverer who will give them perpetual prosperity and dominion, to whom he said it will be more tolerable for Sodom and Gamorrah, in the day of judgment than for you who reject this Gospel of salvation from sin.

We of this day have more light, more evidence of the "more sure word of prophecy," and the reasons for our confidence in the divine inspiration of His word. More numerous, and yet we let the pleasures of sin allure, and disregard the warnings of distruction for those who travel the broad way. True, the pleasures of the broad way are greatly multiplied as increasing knowledge. Dan. 12:4 has brought modern facilities autos, movies, radios, printing press, telephones, etc., with them almost endless sources of entertainment, and delight, but the one who seeks pleasure, happiness and satisfaction in the use of these in the broad way, would find a greater joy and happiness in the use of these blessings of this time to glorify the giver, for this leberation of "increase of knowledge for the time is from the source of knowledge for the purpose of ripening the harvest and preparing the world for His coming. Dance halls, pool rooms, card parties, swimming pools, movies, etc., are the mediums through which "lovers of pleasure" express themselves, because they have known no higher joy. By their fruits ye shall know them.

But the fruit borne by the good tree will accord with the requirements of the customs laws the transgression of which is sin. 1 John 3:4. And the wages of sin is death. Rom. 6:23.

The "lovers of God who are contrasted with these in the last days" (2 Tim. 3:4-5) have come into the new covenant relationship with Him. His law is in their mind and heart, Heb. 10:16, Jer. 31:31-33.

He can say with our Savior as in Psalms 40:7-8—"I delight to do thy will, oh my God, yea thy law is within my heart."

This, of course, requires the regenerating influence of the new birth, John 3:3, through an appreciation of God's love and purpose as in verse 16, and faith in His promises. He is calling to all as expressed in Isa. 1:18. He has shown His estimate of our worth as children and heirs by the price He paid for our redemption, and given us the promise and assurance expressed by the apostle Rom. 8:32 and Rev. 22:14.

The wise man said "there is a time for everything." This is surely a time to pray.

S. L. STAFFORD,
Statesville, Route 3.

Nine Million Eggs Consumed In Camps

300,000 Forest Camp Workers Eat That Number Every 30 Days, Report Shows

Washington, Aug. 20.—Nine million eggs are a lot of eggs, but that is the number the 300,000 members of the civilian conservation corps eat every 30 days.

Figures prepared by war department statisticians for Robert Fechner, conservation corps director, show the outdoor work in the forests is developing tremendous appetites in the corps.

Each month the workers consume 1,125,000 pounds of bacon, 5,625,000 pounds of beef, 9,000,000 eggs, 1,125,000 pounds of coffee, 6,750,000 pounds of flour and 2,250,000 pounds of pork.

In a recent flapjack census at the Vermillion camp at Missoula, Montana, 200 men ate 2,200 hot cakes at one breakfast. The weight of men throughout the corps has increased an average of 12 pounds since they enlisted a few months ago.

Philadelphia, Aug. 21.—Geo. S. Henderson, son of John J. Henderson, a prominent stock broker, was found dead with a bullet wound in his head late today at his father's home in Suburban Melrose park. The body was found in an upstairs room. A pistol lay nearby. Coroner Ronald Dettre, of Montgomery county, pronounced it a "case of suicide."

Build Up that Skinny Child!

Enrich His Impoverished Blood

Sickly, weak, underweight children are usually lacking in rich, red blood. When blood becomes poor, a child becomes rundown. Already weak, he loses appetite, which makes him still weaker. Take no chances on a child gaining strength by himself. Start giving him Grove's Tasteless Chill Tonic right away. This famous tonic contains both iron and tasteless quinine. Iron makes for rich, red blood while quinine tends to purify the blood. In other words, you get two effects in Grove's Tasteless Chill Tonic.

Put your child on this time-proven tonic for a few days and see the difference it makes in him. Good appetite, lots of pep and energy and red roses in his cheeks. Children like Grove's Tasteless Chill Tonic and take it eagerly. It is absolutely harmless and has been a reliable family medicine for half a century. Get a bottle today at any store.

WOMAN GIVES BIRTH TO 7 LUSTY BOYS

Bogota, Colombia, Aug. 18.—Louis and Carola Perez, of San Pedro, in the Bolivar department, announced in a telegram read in the senate this week the birth of seven children. The septulets were all boys. All were said to be doing well. The telegram, read as an argument in favor of government grants to parents of large families, was referred to the committee on public works.

During the recent heat wave in New York residents of the city consumed 1,088,900,000 gallons of water in a single day.

Mountain Park To Open September 5

Will Be Junior College This Year; Large Enrollment Expected

Mountain Park Institute has practically completed arrangements for its opening as a junior college on September 5. The dormitories and dining hall which have been remodeled during the summer are practically complete and are expected to be finished and ready for occupancy this week. The work during the summer has been under the direction of Prof. J. A. Wilson and has been done largely by the employment of student labor.

It seems practically assured now that the registration will exceed the minimum number required for the operation of a fully accredited junior college. A bus will be operated by the college to and from Dobson each day, and 16 students have already signified their intention of taking advantage of the opportunity thus afforded for securing college work. It is expected that approximately 25 students will be registered who will come in on this bus by the time school opens. Many of these prospective students are teachers with elementary certificates who wish to raise their certificates.

President Weaver announced today that the faculty has been completed and will be composed of men and women all of whom have received their Master's or Doctor's degrees, and have had several years of college teaching experience. The faculty at Mountain Park will be second to no junior college in the state. The first faculty meeting of the year will be held on Wednesday night, August 30, so that complete organization can be effected by the time the college opens on the following Tuesday. Complete list of the personnel of the faculty, as well as the program for the opening exercises, will be announced within a few days.

Would Finance Exports to Russia

New York, Aug. 21.—The Evening Post says plans are under way for the formation of an acceptance bank whose main function would be financing of American exports to Russia with partial government guarantee. The scheme depends largely, the Post said, upon decision of the Reconstruction Finance corporation to lend its support to the venture.

Opposes 40-Hour Week

Washington, Aug. 21.—The contention of a 40-hour week in the leather industry would "make no contribution to the recovery campaign" was advanced before the NRA today by labor leaders of the trade in appealing for shorter hours and higher pay than the industry proposed under its code.

Carey ROOFINGS AND SHINGLES
"STANDARD FOR OVER 60 YEARS"

YOUR DOLLAR buys MORE with GOODYEARS

The New GOODYEAR PATHFINDER

NRA MEMBER U.S. WE DO OUR PART

—AND your dollar buys MORE right now than it may ever buy again. You can see that as well as we can.

As raw materials—cotton and rubber—go skyrocketing, tires are bound to go higher, too. The best advice is—"Don't wait." We offered that advice months ago, when Goodyear prices were scraping bottom. Many people who took it have thanked us; others say they will never get caught again.

So we repeat! BUY NOW—because Goodyears are STILL priced very low and they can't stay at these levels very long.

Today the best buy for the least money is the new Goodyear Pathfinder. For years "the quality tire within the reach of all," the Pathfinder is now stepped up in mileage, safety and good looks. It has FULL CENTER TRACTION—20% thicker non-skid tread—stouter body of Supertwist Cord, the cord that gives under road shocks, doesn't heat up, prevents blowouts, stands hard knocks, runs out a full long life of trouble-free miles.

Be sure your new tubes are quality Goodyears, too.
