Joy to the Admirers OF A FINE HEAD OF RICH GLOSSY HAIR.

THE Twenty, Fourteen, and without a fine head of hair, then read the following, and if you will have one never should each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all, old and young, to the wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all unseemly eruptions—restores a continual flow of the natural fluids; and leaves it unchanged in a healthy condition for the hair will continue to grow, and keep it from falling—restoring it again to its natural beauty. We ask then upon the bald, the gray—or devoted to the aged, to use it; and lastly the young will find, as they value the flowing locks, or the waving curl, ever be without it. Its production upon the hands of thousands.

The Agent for Prof. Wood's Hair Restorative in New-Haven, received the following letter in regard to the Restorative, a few weeks since:

Dear Sirs, Conn., July 22, 1856.

Mr. Lowenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I saw a New Haven paper about Wood's Hair Restorative—on a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing, it remained the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I gave you to send me two bottles more by Mr. Post, the bearer of this. I don't know an agent of the kind to sell in this place, you may have a market for many bottles when it is known here. Yours with respect,

RUFUS PRATT

PHILADELPHIA, Sept. 9, 1856.

PROF. WOOD—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The frosts, and also the back part of my head almost lost its covering—in fact said. I have used but two half pint bottles of your Restorative, and now the top of my head is well clothed with a promising crop of young hair, and the front is also sensibly its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,

D. R. THOMAS, M. D.,
No. 464 Vine street.

TUSCAROORA, Ia., June 22, 1853.

PROF. O. J. WOOD: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—when I have, for several years, been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It certainly removes the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, and full glossy appearance; and all this, without discoloring the hands that apply it, or the clothes with which it comes. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair. Respectfully yours,

WILSON KING.

MARRIAGE LICENSE FOR SALE AT THIS OFFICE

GLENN'S VEGETABLE CATTLE POWDER.

THE Proprietors take pleasure in offering their Vegetable Cattle Powder, feeling confident that it is the article long needed by the farming community. The Compound is designed to meet all diseases incident to Horses, Cattle, Hogs and Sheep, entering into the circulation, producing an alterative effect thereby, purifying the blood and all secretions. The Powder is recommended for horses to be given in complaints of Distemper, Stiffening, Coughs, Fevers, Fore-shoulder, Glanders, Farcy, Gripes and Colic, Inflammation, Yellow Water, diseases of the kidney, foundered horses, &c.

It may be given in doses of tablespoonful thus or four times a week mixed with water when drinking.

COWS.

The powder is highly recommended for cows. Purifying their blood and bringing them to a healthy standing, cast all the impurities of the body, increasing their strength and improving their appetite, making them yield twice the amount of milk, as in a poor condition. A farmer, that once uses this powder, will never be without it. It should be given in doses of a tablespoonful three times a week; and in continuing the use of it, all the diseases arising from the impure state of the blood and secretions, may be entirely driven out.

In diseases of Hollow Horn, Hoof disease, or more that gets bloody milk, or for dry cows, it has been found highly beneficial by giving the powder every day, or three times a week.

HOGS.

For hogs the powder is recommended to be given in coughs, swelled necks, abscess in the lungs, and liver, and in fattening, and may be given by mixing a pound or a half of a package in a barrel of swill.

POULTRY.

The Cattle Powder, proving so effectious for what it was first recommended, induced several farmers to feed it to some laying hens, and found the effect most wonderful in fattening them; besides, making them continue longer than usual in laying eggs. We can, therefore, recommend it, to be fed to chickens, geese, turkeys and for all kinds of the feathered tribe, where it is desired to keep up a healthy condition. It may be given mixed with Indian meal and water two or three times a week.

THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD,

Compounded entirely from GEMS,

IS ONE OF THE MOST PURGATIVE AND LIVER MEDICINES now before the public, this comes on a Compound, purely vegetable, and consequently of those and other medicines, it is not only a Cathartic, but a Liver remedy, acting first on the Liver to open its secreted channel, then on the stomach and bowels of most Cathartics. It strengthens the system at the same time that it purges it, and which takes daily to accomplish disease, will accomplish and build it up with unusual rapidity.

The Liver is one of the human body, and is, in health, the primary source of the vital energy. Its secretions are the most powerful agents in the system for destroying disease. The Liver has certainly disease when the stomach is at fault, the bowels become costive, and the whole system sunk into a state of debility, which is the foundation of disease. The Liver is the only organ of the body that can purify the blood, and when it is not duly performing its functions, the blood becomes vitiated and poisonous, and the whole system is thrown into a state of disease. The Liver is the only organ of the body that can purify the blood, and when it is not duly performing its functions, the blood becomes vitiated and poisonous, and the whole system is thrown into a state of disease.

Thousands are now suffering from Liver Complaint, and a great portion of the human family are subject to it, and what is surprising the disease is not generally known to be the cause of their sufferings, but when the Liver is once put right, and the blood purified, the system will be free from disease.

Persons who are subject to Liver Complaint, should not be without a bottle of the Liver Invigorator, and persons who are not subject to it, should use it occasionally to keep the Liver in order, and prevent disease.

Persons who are subject to Costiveness, should use the Liver Invigorator, as it will not only cure Costiveness, but it will cure the disease which is the cause of the Costiveness.

Persons who are subject to Dyspepsia, should use the Liver Invigorator, as it will not only cure Dyspepsia, but it will cure the disease which is the cause of the Dyspepsia.

Persons who are subject to Fever and Ague, should use the Liver Invigorator, as it will not only cure Fever and Ague, but it will cure the disease which is the cause of the Fever and Ague.

Persons who are subject to Jaundice, should use the Liver Invigorator, as it will not only cure Jaundice, but it will cure the disease which is the cause of the Jaundice.

Persons who are subject to Dropsy, should use the Liver Invigorator, as it will not only cure Dropsy, but it will cure the disease which is the cause of the Dropsy.

All who use it are giving their testimony to its wonderful powers.

☞ Write to the agents with the Invigorator, and you will receive the medicine.

THE LIVER INVIGORATOR

IS A SCIENTIFIC MEDICAL COMPOUND, and is daily receiving the great praise it deserves. It is not a drug, but a medicine, and is prepared by a Physician of the first distinction, who has had the care of a Medical Library, and is now in the hands of a Medical Gentleman.
