Notice! Notice! Notice! Notice!

HAVING seen by the Standard and SENTINEL of 5th, that the Yarborough House is advertised as the only first class Hotel, we wish to call the attention of the travelling public to two or three facts:

It is well known that the National Hotel is new and was furnished by J. M. Blair, (who gave us this notice extraordinary of the Yarborough House,) regardless of expense, only this past Fall, but it was thus when he expected to be the Proprietor, and rotate this, as he expressed it, for his first class boarders, and had his dining room to the Yarborough. The trouble was he had to go the other way!

To do justice to the owners of this property, my customers and myself, I will say that for the public simply give the house a trial, and they will say to many, comfort and a home house can be found in the South or North.
