Mobile Home Burns

Mr. and Mrs. Arnold Davis and family escaped uninjured early Saturday morning when their mobile home on Ivy Hill was completely destroyed by fire.

The fire, shortly after midnight, was caused when a hot water heater exploded.

All furnishings and contents were burned.

Both the Marshall and Jupiter Volunteer fire departments were called to the scene but were unable to extinguish the flames before they destroyed the structure.

RULES AND REGULATIONS
OF THE TOWN OF MARSHALL
APPLYING TO THE TOWN'S
WATER AND SEWER SYSTEM
EFFECTIVE JULY 1976

I—Classification of Service:
Service for rate purposes is classified into one category.

II—Rate Schedule, Including Tap on Fees. (Rate increases necessary because of increased operational expenses for new water system.)

A. General Rate Schedule

Residential Water Customers Within Town of Marshall
First 3000 Gallon at 5.00 Minimum
All over 3000 Gallons at 1.00 per 1,000 Gallons

Residential Water Customers Outside Town of Marshall
150 Per Cent Charge applying within Town.

Business Water Rates
First 3000 Gallons at 6.00 Minimum
All over 3000 Gallons at 1.00 per 1000 gallons

Schools, Housing Developments and Industries
First 3000 Gallons at 6.00 Minimum
All over 3000 Gallons at 1.00 per 1000 gallons

B. Charge for Water Connections (Tap-on Fees)
Inside Town: 1/2" or 3/4" line, 100.00; 1" Line, 150.00
Outside Town: 1/2" or 3/4" line 150.00; 1" Line, 200.00

C. SEWER CHARGES: The following sewer charges will affect the entire town population.

A flat rate of 3.00 will be charged for sewer for residents within the city limits and a flat charge of 5.00 for businesses. Schools, housing developments and industry sewer rates will be based on water consumption as the previous policy has been.

III. Limitations on Furnishing Service

The town may refuse to furnish service where excessive costs would be involved, or where furnishing service would have adverse effect on other customers. The Town may reject any application for service when the applicant is delinquent in payment of bills for services previously supplied at any location.

IV. The Town recognizes that furnishing water to customers within the Town limits takes priority over furnishing water outside the Town limits. Accordingly, the Town reserves the right to discontinue service to customers outside the Town during periods of severe drought when there is insufficient water to supply customers both inside and outside the Town.

The Town furnishes water outside the Town only, where in the opinion of the Town Board, this service can be furnished without undue expense in relation to revenues, and without other detriment to the primary purpose of furnishing adequate reliable water service within the Town.

The extension of any water lines outside the Town necessary to serve new customers must be made, or paid for in full, by the customers to be served. If prospective customers lay the lines, the entire new installation must meet the specifications prescribed by the Town.

Following installation of new lines outside the Town, title to these lines must be vested in the Town before water service is furnished. The Town, thereafter, exercises complete control over the lines, and may connect new customers, and otherwise determine the use of the lines.

V. DEPOSITS

A deposit of ten dollars is required from the customer for each meter installed.

The deposit is refundable when service is terminated, provided there are no unpaid arrears for service. The Town may apply the deposit in whole or in part against the customer's final bill.

VI. SERVICE FURNISHED TO RENTAL PREMISES. The town furnishes service only to the landlord (owner of premises) whom the Town holds responsible for the payment of all charges for service. A separate meter is normally installed for each tenant, and a separate monthly bill is rendered to the landlord for each tenant.

VII. TOWN AND CUSTOMER RESPONSIBILITIES

The Town normally runs its water line to the property line of the customer where the meter is installed. The customer installs and is responsible for the water line on his premises. The Town does not assume the responsibility of inspecting the customer's piping or apparatus and will not be responsible therefor. The Town holds the customer responsible for all water passing through the meter, regardless of whether the water may be lost, as the result of leaks following the freezing of pipes or from any other cause.

The Town reserves the right to refuse service unless the customer lines and apparatus are installed in such manner as to prevent cross-connections or backflow.

VIII. BILLING, COLLECTING AND SUSPENSION OF SERVICE

Bills are due when rendered, and become delinquent (10) ten days thereafter, whereupon a penalty of 1% per month is added. If a bill is not paid before the next monthly bill is sent out, that next bill is stamped with a warning that if payment is not made by the 10th of the month, service will be cut off.

The Town strictly enforces this collection practice. A disconnect charge of $5.00 is applied for making the disconnection, and subsequently another $5.00 charge applies for reconnecting the service. The reconnection is made only after arrears are paid in full.

The Town reserves the right to discontinue its service, without notice, for emergency repairs or because of insufficiency of water supply beyond the Town's control.

IX. ADOPTION OF RULES AND REGULATIONS

The hereinabove act forth rules, regulation and rates were adopted by resolution of the Marshall Town Board at a call meeting on June 8, 1976.

George Penland, Mayor
James Penland, Alderman
Roy Wild, Alderman
Donald Ramsey, Alderman
7/8,15,22,29chg.

NOTICE OF PUBLIC HEARING

Richard Doyle on July 1, 1976 submitted to the Madison County Board of Adjustment a request that the Board consider the issuance of a Conditional Use permit for a store to be operated in conjunction with his campgrounds on Puncheon Fork, all in accordance with section 803.2 of the Madison County Zoning Ordinance.

A public hearing is therefore set for 7:30 P.M. at the Mars Hill Town Hall in Mars Hill on July 22, 1976. The public is invited.

Signed:
Larry Burda, Chairman
Madison County Board of Adjustment
7/8,15chg.
