BEAUTIES OF OUR LEGISLATURE—COLLECTION OF TAXES.

We desire to call attention to the following conflicting sections in the "Act to provide for the Collection of Taxes" passed at the recent session of the Legislature, to show how utterly impossible it is for the people or the officers to comply with the law. Our legislators were so much engaged in defrauding the State by huge railroad appropriations, in purchasing penitentiary lands, and in securing charters and in the passage of acts for personal ends that questions of real importance were sadly neglected.

Section 25 of the act says "All taxes *shall be due* on the first day of July in each year." Section 27 reads "Whenever the taxes shall be due and unpaid, the Sheriff shall immediately proceed to collect them as follow." Here follows the usual authority to seize and sell property.

Now see the provisions of this same act looking to a compliance with the foregoing sections:

Section 20. The County Commissioners shall cause to be made out two copies of the tax lists of each township, as revised and settled by them, according to a form to be furnished to them by the Auditor of the State. Such form shall show in different columns the amount due by each tax payer to the State and to the county; one of said copies shall remain in the office of the Clerk of the Commissioners, the other shall be delivered to the Sheriff on or before the *second Monday in July* in each year, &c.

Section 26. The Sheriff in person or by deputy, shall constantly attend at the Court House of his county *during the month of September* for the purpose of receiving taxes; he shall also in like manner attend at least one day after the second Monday of July, at some place in each township, of which twelve days notice shall be given by advertisement at three or more public places in the township.

It is hard to reconcile these conflicting sections, and the evident want of attention to such important matters is a serious reflection upon the members of the Legislature.

Taxes *shall* be due on the first of July, and when due and unpaid the Sheriff *shall immediately* proceed to collect by seizure or levy and sale. Yet the official list need not come into the possession of the Sheriff until the second Monday of July, and he is not required to attend at the Court House to receive the taxes until September, two months after he is required to force the collection of unpaid taxes. Such are some of the beauties of legislation under the "new order of things."—*Wilmington Journal.*

A SENSIBLE NEGRO'S VIEWS OF THE 15th AMENDMENT.

We received yesterday a copy of the Maryville (Tenn.) Republican, a weekly paper, owned, and published and edited by W. B. Scott & Co., negroes. From it we take the following article on the ratification of the fifteenth amendment. If Scott lived in Georgia, and dared so tell the truth after this homely fashion, the black Radicals would mob him, or run him off, and throw his type in the river. They would Ku Klux him instanter. We are glad for Scott's sake he don't live down here:

There is much rejoicing over many parts of the land in consequence of this addition to the Constitution. We are, we hope, thankful to Almighty God for this change for the better in our national affairs. And when we mention His name, we mean that we will give nobody or party any thanks for this blessing to our race, but to God alone.

We have no public manifestation as yet in this town. The Conservative people who alone could devoutly give thanks for this deliverance, are not likely to be considered sincere if they attempt any such measure in public. But we are constrained to think that outside of this party there exists not the least feeling of thanksgiving for the passage of the Fifteenth Amendment.

And our opinion is grounded on the unquestionable fact that most of the people contemplated in that change of the constitution are as much slaves to-day, to the Radical party, as ever they were any kind of slaves in their lives before. With very few exceptions we believe that Radicals would prefer the return to the old slave system at once unless they can be masters of the colored man's vote.

We do not know of any case of evil treatment of any sort whatever to colored citizens in our neighborhood, or of one citizen against another, or of "rebel" or Ku Klux injuring the colored people.

THE MEMBER FROM SURRY AGAIN IN DISGRACE.—William H. Andrews, the colored member of the Legislature from Surry county, made his appearance in Petersburg yesterday afternoon and took up his lodgings last night in the city jail, by order of the Recorder. Andrews was discovered quite drunk in Cockade alley—just drunk enough to be very disorderly and insulting, and independent enough to set at defiance our city ordinances by firing off his pistol in the streets, to the danger of passing citizens. He was found by officer Perkinson, who demanded his pistol. Andrews refused and resisted the officer, but was quickly overpowered, disarmed, and marched to the court house under arrest. When asked for an explanation of his conduct by Recorder Williamson, he replied, insolingly, that "he did not believe he had trespassed upon this ——— d—ned government," whereupon he was quickly landed in jail, to cool off for examination this morning.—*Petersburg Index.*

HOW REVELS ESCAPED HANGING.—Revels who has been the subject of such high wrought eulogy from Governor Morton and Henry Ward Beecher, is said on the authority of a prominent citizen formerly of Fayetteville, N. C., to have been an old resident of that town, and the son of a barber in which art he is also a proficient. This gentleman stated of his own personal knowledge that Revels, while living there was charged with the crime of burglary which by the law of North Carolina was punishable with death. This being viewed as too severe a penalty, his escape was winked at so as to get rid of him. Without a resort to the gallows. Such is the account given of the Senator's antecedents by one who was a leading citizen of Fayetteville for many years.—[World Corr.
