### MARRIAGE LICENSES.

WE TELL YOU PLAINLY

that Simmons Liver Regulator will rid you of Dyspepsia, Headache Constipation, and Billiousness. It will break up chills and fever and prevent their return, and is a complete antidote for all malarial poison—yet entirely free from quinine or calomel. Try it, and you will be astonished at the good results of the genuine Simmons Liver Regulator, prepared by J. H. Zeilin & Co.

### TAKE HEED.

We regret to see so much preparation on all sides for a large tobacco crop. It seems to point to the result—tobacco down to comparatively nothing, and the larger portion of our farmers corn and meat buyers. We don't object to our people growing tobacco; but we tell you to make your meat and bread at home: then plant what tobacco you can make good. Remember the time for buying provisions on mortgage is past. Then remember that we do not have such a crop year as the last one, once in ten years; and plant just what corn you think will do you. If you do, there may be a wet or dry spell, and you will not make half enough; and should the season be just right, and have more than you need, and have no market for it, you can put it into pork. We don't charge any thing extra for this advice, and you can do as you please about taking it.

### Notice to Non-Residents.

North Carolina, Stokes County, } In Superior Court, Before the Clerk.

James M. Kiser and Alfred Kiser, son of Philip Kiser, dec'd. plaintiffs,
against
Wm. Kiser, Polly Ferguson and others, defendants. } Petition to sell land. Order.

It appearing from the petition filed and sworn to in the above entitled action that the defendants Nancy Moore, Elizabeth Davis and — Davis, James Overby, Nancy Boles, and perhaps others whose names are not known are non-residents of the State of North Carolina; and are necessary parties to this action;

It is therefore ordered that service of summons be made on the above named defendants by publication in the Danbury REPORTER-POST, a newspaper published in Danbury, for six successive weeks.

This the 20th day of March, 1888.

N. O. PETREE,
Clerk of Stokes Co. Superior Court.

The REPORTER-POST should be regular weekly visitor to every family in this county both for the good of the families and for our own sake, and for this one, among a number of reasons; we are endeavering to do a good service by acquainting the people with the county's history and resources, thereby instructing our people in what they ought to know, and at the same time drawing the attention of individuals from abroad who may be induced to make investments here and introduce industries among us. And while we are working for the interest of the county, at large, we feel we ought to have its substantial support in the way of a liberal subscription list, for as Bradford who published the first Bible in America under the colonial government, at Philadelphia, aid in his subscription prospectus "printing is costly;" and when we say "printing is costly" we are not taking into account any rememeration for the preparation of the matter for the paper, and for conducting the business.

We furnish a paper which to say the least will not suffer in comparison with any county paper in the State; indeed there are orignal articles, covering a vast and varied range of subjects, regularly contributed to this paper which we consider would do credit to the more pretentions oity dailies of the State. Much attention is given in its colums to matters of more than passing interest to the farmer,-and the farming interest of this county affects every one of its inhabitants it is as yet paramount to every other interest in this county. The very latest general and state news is given on the columns set apart for that department; and its miscellaneous selections are carefully sifted from its sixty exchanges.

Sample copies sent on application Send on your money as once and then talk to all your neighbors afterwards and try to get them to subscribe.

Prudence is a commendable virtue, but it is never seen in such beauty as when a mother provides herself with a bottle of Dr. Flints' Cough Syrup for cases of emergency. For sale everywhere. tf.
