Vanceboro Softball League

Last week ten teams took the field in an effort to capture the winning honors for the week. Several teams made it through the week without losing, while several other teams suffered upsets during the week.

Monday night's game was rained out and rescheduled for Friday night. The games for that night showed wins for C & E Logging, Senators, and M & B, while Pugh Distributing, Caton and Garris #2 suffered a loss for the night.

Tuesday, May 18, was the first games played. This was the night for upsets. Kite's Supermarket came out strong and downed V & J. Billiards in the opening game. Garris Logging #1 upset Ron's Paint & Body Shop with a strong comeback after trailing in the game. Pugh Distributing took the third game but they knew they had played a very stong Caton team.

Thursday, May 20, was the second win for the Senators in a close contest with Garris #2. Kite's Supermarket faltered and M & B took their second win for the week. C & E playing their second game of the week suffered a loss to Garris #1.

The ball handling by all teams has been outstanding. It can be readily seen that we are going to have some real softball playing and good entertainment for the fans as the season progresses. Team support was excellent for all games during the week. Fans were talking it up on the sidelines and encouraging their team to "tighten up".

The week's standings will be shown each week on this page in the Vanceboro Softball League Standings. Plans are to have a Player of the Week based on Homeruns, Hits, Runs Batted In and Winning Team.

A Vanceboro Softball League Contest is slated, so join in all the fun of Summer Softball to make this a good summer of fun.

Softball Injuries

In a fresh play at first base, two softball players from Vanceboro League received injuries. Pictured above is Eddie Godley who ran off first and Glen Seamster at third threw to first to catch Eddie for the out but the ball struck Eddie in the back and glanced off and hit Sasser in the face. Sasser received lacerations of the face. Both were transported by Vanceboro Rescue Squad to Craven County Hospital where they were treated and released.

Bland Selected

The Charlotte Jaycees and the Hugh O'Brian Youth Foundation spotlight our greatest natural resource . . . . Youth.

Each year since 1958, the Hugh O'Brian Youth Foundation has sponsored a series of leadership seminars, selecting high school sophomores from across the nation this year. Jill Bland, daughter of Mr. and Mrs. C.W."Pete" Bland of Rt. 1, Grifton has been selected to represent the West Craven area of the North Carolina seminar in Charlotte.

With the encouragement of the North Carolina Jaycees and the Hugh O'Brian Youth Foundation the Charlotte Jaycees are conducting a state leadership seminar for 125 outstanding high school sophomores from throughout the North Carolina public and non-public school systems.

The seminar will be held June 4th, 5th, and 6th Belmont Abby College in Belmont, North Carolina.

1. To educate the participants on topics of the American Incentive System.
2. To provide the opportunity for the participants to be recognized for their achievements.
3. To select and announce the two outstanding students who will represent North Carolina at the Hugh O'Brian Youth Foundation International Leadership Seminar to be held in Chicago this summer.

Miss Bland is a student at West Craven High School, Rt. 2, Vanceboro.

ECU Football Tickets at Wachovia

Ticket orders for the 1982 East Carolina University football season are now being accepted throughout eastern North Carolina.

The primary ticket outlet is the Athletic Ticket Office on the campus of East Carolina, but Pirate fans will again have the opportunity to purchase home game football tickets at various locations throughout the eastern area.

Wachovia Bank, for the second consecutive year, will serve as an outlet for Pirate football tickets. A total of 45 Wachovia branches in 28 eastern cities will be involved in the Pirate ticket operations.

"We are elated to have Wachovia Bank work with us again this season," noted Director of Athletics Dr. Ken Karr. "Our first year of this outlying ticket window concept with Wachovia produced very fine results. We look forward to considerable increases this year in sales at Wachovia."

The 1982 Pirate season will open on Sept. 11 in Raleigh against N. C. State, while the team kicks off its home slate on Sept. 18.

Tickets for the 1982 home games are $9.00 for reserved seats. The Economy Plan, started last year, will be in effect again. This allows a fan to purchase season tickets in units of five for half price in selected areas of the stadium.

Contact A. F. Whitley at the Vanceboro branch for your season ECU football tickets.
