M. K. Herrington Attains Honors In Uncle Sam's Navy

Is Now Stationed In Cincinnati, Ohio at Recruiting Station

M. K. Herrington, boatswain's mate first class, United States Navy, has successfully completed a course of instructions for recruiting duty at the Navy Recruiting Training School, Norfolk, Va. He has been ordered by the Bureau of Navigation to the U. S. Navy Recruiting Station, Cincinnati, Ohio, for a tour of recruiting duty.

He enlisted in the United States Navy July 27, 1926, at El Dorado, Arkansas and received his recruit training at the Naval Training Station, Norfolk, Va. From there he was sent to his first ship, the cruiser U. S. S. Rochester. Since that time he has served on the cruiser U. S. S. Richmond and battleship U. S. S. West Virginia.

Mr. Herrington has advanced in the Navy to the second highest pay grade an enlisted man can attain, that of a first class petty officer. Through requirement and qualifications he will be able to advance to the highest pay grade, a chief petty officer this year. And with six more years service will be able to retire with a substantial income for the rest of his life.

He traveled extensively to many ports of the world. All seaports on the east, west and gulf coasts of North America. He visited the following foreign cities of interest — Havana, Cuba; San Juan, Puerto Rico; Vera Cruz, Mexico; Kingston, Jamaica; Panama City and Colon, Panama; Callao, Peru; Managua, Nicaragua; and Honolulu and Hilo, of the Hiwaiian Islands. Also he has crossed the equator four times. All this traveling would not have been possible if he had not enlisted in the United States Navy for a career.

Since enlisting in the Navy, Mr. Herrington has taken an active part in Navy athletics, while attached to the U. S. S. Rochester was a member of the basketball team. On board the U. S. S. Richmond was a member of the light cruiser dinghy rowing champions in 1928, and played guard and was captain of the basketball team which won the light cruiser championship in 1928-29. Then on board the U. S. S. West Virginia he was a member of the football team from 1930 to 1936, which was All Navy Champions in 1932. Also a member of the last cutter crew to win all navy rowing honors in 1931. He was backfield coach of the West Virginia football team in 1938, and last year he coached the winners of the All Navy 150 pound whale boat rowing champions of the Navy in Guantanamo Bay, Cuba.

Mr. Herrington is the husband of the former Miss Vivian Elizabeth Mobley, the daughter of Mr. Sidney A. Mobley, prominent Williamston citizen.

Mr. and Mrs. Herrington expect to spend the next two or more years in Cincinnati, Ohio. Upon completing his naval service, they expect to make Williamston their home.

Buried Bones Like
Saved DOLLARS

If a dog could talk, he'd tell you that he buries bones when he gets them so that he'll have food in reserve when there is no more to be had. That's the way to save money—as you earn it, so that you can have it when you no longer are able to work.

War Hurts Farmers; Aids Manufacturers

The Department of Agriculture declared last week that the banning of exports by warring European nations caused tobacco growers last year to take a loss of more than $32,000,000 on foreign business.

Meanwhile, cigarette manufacturers have taken advantage of the situation to further depress domestic prices. The big three — American, Reynolds and Liggett and Myers — will this year obtain a greater volume of tobacco than last year and will pay $12,000,000 less for it.
