New Lynching Technique Uncovered In Louisiana

NEW ORLEANS, La. — Dixie's "self-defense murders" in which white men shoot Negroes in the back and all-white grand juries or coroners term the killings as justifiable homicides committed in self-defense are steadily increasing and have totaled four during the past four weeks, according to Daniel E. Byrd, president of the Louisiana State Association of NAACP Branches, during an interview Thursday.

Mr. Byrd's files reveal that the most recently uncovered murder was the wanton slaying of William Brown, an 83-year-old Negro, on July 19 at Leitsworth, La., by a game warden.

Other slayings recorded were those of Wesley Thomas, 31-year-old woodcutter, in Calhoun, La., by W. D. Thompson a 21-year-old white man, on July 30, the fatal shooting of Versie Johnson 34-year-old prisoner, by law officers at Prentiss, Miss. on August 1; and the shooting of Elijah Myles, 21-year-old rubbish collector, here in New Orleans on July 18 by Ferdinand Mohn, white foreman on the Agriculture Street Dump.

THE LEITSWORTH KILLING

Concerning the Leitsworth killing which was fully uncovered last week by a white labor union official, William Brown, 83-year-old Negro, had gone into the woods near that town to hunt squirrels. Charley Ventrell, a white game warden, went into the woods, engaged Brown in an argument concerning the contents of Brown's hunting bag, took him to the edge of the woods and shot him in the back of the head, according to reports received.

The warden is alleged to have walked to a nearby white sharecropper and told him, "I just shot a nigger; let his folks know."

The union officials told NAACP representatives that the official coroner's report stated: "The Negro's gun was cocked; the killing was justifiable because the warden shot in self-defense."

WHY WORRY

There are only two things to worry about, either you are well, or you are sick. If you are well, then there is nothing to worry about. But if you are sick, there are two things to worry about. Either you will get well, or you will die. If you get well there is nothing to worry about. If you die there are only two things to worry about, either you will go to heaven or hell. If you go to Heaven, there is nothing to worry about, but if you go to hell, you will be so busy shaking hands with friends, you won't have time to worry.
