Carowinds Day Big Success

The JCC sold over 70 tickets for the family day at Carowinds on April 29th. Upon entering the park, the JCC families were greeted with a welcoming sign, which made them feel as though they were special guests of Carowinds. While families walked around the park, bumping into familiar faces, they helped each other's kids on the rides. This contributed to the feeling of being one big JCC family.

After a fun-filled afternoon on the rides, many families joined together for a picnic supper and then stayed to watch the air show.

CAROWINDS

The JCC is selling Carowinds tickets (Good Any Day) for \$6.50 at the JCC office for members only. Regular gate admission this season will be \$7.95. Carowinds will be open weekends only until June.

Children's Classes End

Four year old Puppetry Class - Instructor Bobby Lyle.

A very successful spring semester of children's classes come to a close during the month of May. Many excited children completed classes such as Crafts, Tennis, Ice Skating, Mini-Gy, Cooking, M&M's, Woodshop, Ballet, Tap and Jazz and the "J's" Gymnastics School.

Some of the highlights of the last classes were a Cooking Class Supper, a performance by the 4 year old Puppetry class and the performances of the Ballet, Tap and Jazz students.

After our summer break, classes will again begin in September. The class schedule will be out in August. If you have any suggestions for classes you would like to have

M&M's - 3 year olds - Instructor Pam White.

your children participate in, please call Sara Schreiber at the JCC (366-0357) before July.

Woodshop Class - (left to right) Brian Bernhardt, Damon Rume, Ari Tuckman.

Thanks

The warm, sunny weather and the congeniality of the group helped to make it a perfect day for Carowinds. Surprisingly, it was the fathers, not the kids, who wouldn't leave the park — all agreed that it was a delightful family outing.

Reminder: the JCC sells Carowinds "Good Any Day" tickets for \$6.50 per person, available in the office.

Our thanks to the camp committee, Marlene Goldberg, Gloria Lerner and Elaine Schefflin, who have worked very hard in the planning of camp for this summer. Camp should be a spectacular event for the children involved and this is due to the many hours of work put forth by the committee.

A thank-you to all who have given support and contributions to the summer program.

Sr.'s Get Into the Swim of Things

Agility and general well-being is achieved by correct breathing and exercise suited for the individual's movement potential. Exercise that is too strenuous uses a person's energy inefficiently whereas the fitness goal is the seeking and reaching of maximum efficiency. The water is the perfect place for achieving movement potential because it allows buoyancy and maximum muscle toning.

A water exercise class for near-to-newly retired persons will be offered by CPCC this summer to the JCC on Wednesdays from 12:30 to 2 p.m.

Beginning June 27, the course, which is free to those over 65 and \$3.25 for under 65, will consist of eleven weeks of organized movement in the JCC pool. The Chai group has already become involved in the Monday program scheduled to begin June 25 and the near-to-newly retired will complete the pilot class Wednesdays. Central Piedmont's goal is for the two-part program at the JCC to serve as a model for similar programs in Charlotte.

The instructor, Abby Hoffman, certified in water safety, is finishing her Human Development degree in arts, aging, and movement education at UNCC. She is the initiator of **Vintage Creativity Workshops**, working to bring the movement, poetry and pottery arts media to groups of people in the Charlotte area. The Vintage Poetry Group at Hawthorne Nursing Center and the movement workshop at Booth Gardens are two programs she began more than a year ago. Ms. Hoffman lives in Newell, North Carolina and is a native of Silver Springs, Maryland.
