TOMBSTONE INSCRIPTIONS:

A number of tombstone inscriptions in Duplin County are of more than passing interest. Some of them are as follows:

"GIBSON SLOAN, Esquire, died at his residence in Duplin County, N. C., August 16, 1834, on the plantation where he was born July 19, 1775. He was for many years a successful planter, an enlightened and influential member of the bench in the Courts of Justice, the father of a numerous family, a devout Christian and an acceptable member of the Baptist Church and being clothed with all requisites pointed out by Saint Paul for the office of Deacon he was chosen to fill that office in Concord Church. Return unto thy rest, oh my Soul, for the Lord hath dealt bountifully with thee." This inscription is in the neighborhood of Concord Baptist Church a few miles from Magnolia.

"Major GEORGE E. HOUSTON, died Feb. 20, 1852, aged 79 years 3 months

Behold my friend as you pass by
As you are now so once was I
As I am now so you must be
Prepare for death and follow me."

This inscription is in an old cemetery near the road from Kenansville to Sarecta.

"(Masonic emblem) In memory of WILLIAM B. MIDDLETON, born Sept. 11, 1824, died Aug. 10, 1881

Green be the turf above him
Friend of our better days."

This inscription is in an old cemetery on the south side of the Grove about two miles from the Courthouse.

"FRANKLIN, son of S. H. and Elizabeth Phillips, born June 1, 1873, murdered by R. E. Lee, November 12, 1899. We cherish thy memory." This inscription is in an old cemetery between Prospect and Deep Run.

"Gen. JOHN WAYNE, died June 29, 1845, aged 55 years." This inscription is in an old cemetery near Moltenville, Sampson County, and recalls General Wayne's marriage announcement as it appeared in the Raleigh Star for May 1, 1828, and reproduced in the Wallace Enterprise for November 7, 1935, as follows: "At the seat of Brigadier-General Jno. Wayne's (Duplin County) on the 15th ultimo the General to Miss Mary Merritt of Sampson County after a courtship of 29 minutes and 7 seconds." And we are told that we live in a fast age.

1939 NEW YORK FAIR'S TWO MILE AMUSEMENT LOOP

NEW YORK (Special).—"The 1939 New York World's Fair has planned to have the largest area and the greatest number and variety of amusements ever provided for any exposition in the world," announces Grover Whalen, President of the Fair Corporation, "but let it be understood, that we are already assured of producing a fair that will be remembered for its bold treatment of today's problems and for its pattern-thing to the World of Tomorrow."

The accompanying photograph shows the design of the fair's two-mile, 200-acre amusement area as adopted at the time of Mr. Whalen's announcement. The center is being built with a greater visitor capacity than that of any amusement park in the world. Following an entirely new pattern that lends itself to the development of new and novel amusement and entertainment features, the center is featured by the two-mile longed thoroughfare, flanked on each side by a continuous facade 70 feet high and on each side of the mare open and landscaped area extending to the [illegible] of Meadow Lake.
