VOL. V. RALEIGH, MONDAY, JUNE 20, 1864. NO. 189.

TELEGRAPHIC NEWS.

[Continued from last page of Progress.]

Entered according to act of Congress, in the year 1861, by J. L. Pennington, in the Clerk's Office of the District Court of the Confederate States of the Northern District of N. C.

From Richmond.

RICHMOND, June 17.—A dispatch from Gen. Lee to the President this forenoon says, at eleven o'clock last night we took the breastworks at Howlett's house and other portions of the same line. The battery at Howlett's is being re-established. Five vessels have been sunk by the enemy on Trent's beach. No steamers are within reach, but are behind monitors. Some fighting near Petersburg this morning, but without result.

Signed R. E. LEE.

[SECOND DISPATCH.]

RICHMOND, June 18.—The Yankees having been driven from the Railroad at Port Walthall Junction last night, direct communication with Petersburg will be resumed this morning.

[THIRD DISPATCH.]

RICHMOND, June 18.—The *Herald* of the 13th has been received. News unimportant.

Gold closed on the 12th at 199.

A dispatch from Gen. Lee last night says our troops assaulted and carried our original position near Bermuda Hundred with slight loss on our side.

The enemy near Petersburg made an attack in force late yesterday afternoon and were repulsed. We captured about 300 prisoners.

[FOURTH DISPATCH.]

RICHMOND, June 19.—It is reported that the enemy are retreating from the vicinity of Lynchburg. Four pieces of artillery and two hundred prisoners were captured last evening. Nothing official.

[FIFTH DISPATCH.]

RICHMOND, June 19.—Authentic information from Sheridan's movements received. He passed through Bowling Green on Thursday, and arrived at Newton, King and Queen c. h. on Friday on yesterday where he is again reported to have been attacked by Gen Hampton. Sheridan is evidently aiming to reach Gloucester Point. His wagon train has been reduced to 23 wagons. Prisoners taken confess a thorough defeat of the expedition.

[SIXTH DISPATCH.]

RICHMOND, June 19.—No official dispatches have been received at the War Department to-day.

From Petersburg.

PETERSBURG, June 19.—Grant's whole army is in front of it is place in line of battle. More or less fighting has taken place every day since Wednesday. The enemy have been generally repused, gaining little or no ground since Wednesday, when they got within a mile and a half of the City, taking some of our works, which they still hold. Occasional shells have been thrown into the City, doing, however, but little damage. Grant's new base is at City Point, on the James river, 12 miles distant. The enemy have constructed an immense observatory, about 12 miles below, from which to observe operations hereabouts. The enemy yesterday attempted an advance on our lines, but our troops opened upon them with artillery and musketry, inflicting loss upon the enemy equal to any of the campaign. The enemy at no time got nearer than 400 yards of our lines. To-day some cannonading and heavy skirmishing occurred. The people of Petersburg are quiet and resolute, all able to bear arms being in the service. Advices from Lynchburg say the enemy have been pursued since day break and that we have captured three pieces of artillery and 200 prisoners. The bulk of Grant's army is south of the Appomattox.

From Georgia.

THREE MILES WEST OF MARIETTA, June 18.—The enemy has moved a large number of his forces on our left.—The cannonading and muskery is constant, amounting almost to an engagement.

The rains continue and render the roads impassable.

The operations of the enemy are an indication that our left and centre will be attacked. The army is in splendid spirits and ready for the attack.

A Yankee deserter came in this morning drunk.

There were but few casualties on our side yesterday.

Several prisoners were captured this morning.

[SECOND DISPATCH.]

MARIETTA, June 18.—Rain has been falling heavily and incessantly the greater part of last night and this morning.

[THIRD DISPATCH.]

MARIETTA, June 19.—The enemy to-day are shifting their right and are moving further towards the East.—Information from an undoubted source, says that their troops are much disheartened and demoralized from their numerous recent defeats and sickness.

Deserters in squads of ten are constantly coming into our lines or leaving for their homes. Skirmishing continued to-day with unimportant results. The roads are heavy from recent rains which retard military movements.

Later from the North and Europe.

PETERSBURG, June 19.—The *Express* has Northern dates to the 14th.

Stanton telegraphed Dix that Burbridge telegraphs here that he had a fight, lasting one hour, with Jack Morgan at Cynthiana, Ky., on the 12th, completely routing him, killing 300 and wounding nearly as many more, and capturing nearly 400 prisoners. Burbridge's loss 150.—Morgan's forces, the dispatch further says, are flying in all directions. They have thrown away their arms, and are out of ammunition, and are wholly demoralized. Morgan had previously whipped Hobson, commanding at Cynthiana, capturing 1500 prisoners.

A correspondent of the *Tribune*, writing in regard to the fight of June 3d, at Cold Harbor says, that the regiments engaged lost from one-third to one half of their commands.

Gold closed on the 13th at 198.

Still later from the North.

RICHMOND, June 19.—Northern papers to the 16th have been received. A telegram from Lexington announces that Burbridge had defeated Morgan at Cynthiana on the 12th, killing three hundred and taking four hundred prisoners.

Maximillian arrived at Vera Cruz on the 28th, and would proceed at once to the City of Mexico.

Grant has commenced a new campaign against Richmond from the South side of James River, with his headquarters at Bermuda Lapding.

The defeat of Sturgiss by Forrest is officially announced as a disaster.

European advices to the 1st received. Lindsay's motion for the recognition of the Southern Confederacy was postponed until the 17th.

It is reported that Napoleon has sent two Commissioners to America to report the progress of the war and that he has made renewed overtures to England for a cessation of the carnage.

The proposition of the London Conference to detach Holstein and the South part of Schleswig from Denmark was rejected by the latter government.

Gold in New York on the 15th 197 1-2.

Opperations on the Mississippi.

CLINTON, LA., JUNE 18.—The steamer *Progress*, loaded with thirteen hundred bales of cotton, was burned on the Mississippi river on the 3rd inst.

Ex-Mayor French, of New Orleans, died on the 14th.

Thursday night our batteries attacked the steamer *Lombe* and another transport loaded with troops and stores between Jones'. Three shells exploded on deck. She hoisted a signal of distress and the gunboats came up and towed her off.

The Yankee cavalry from Port Hudson pursued our batteries, but a few shell drove them off.

From Mobile.

MOBILE, June 18.—A special dispatch from Senatobia, dated 8th, says Morgan's forces, estimated from 3,000 to 5,000, whipped Gen. Hobson, capturing his whole command, (1500,) at Cynthiana. Frankfort was attacked and the barracks burned. The attacking party was repulsed.

The report that Burbridge routed Morgan on the 12th is not credited. With excitement in Louisville. Morgan dispatched the city authorities that he would attack the Federal forces, which is inadequate for its defence. Gen. Sturgiss reported arrested by charges from Grierson.

A Voice from the Army.

CAMP NEAR MALVERN HILL, June 15th, 1864.

EDITOR PROGRESS:—Dear Sir: We are on the move again. Grant, I think, is going to try the south side of Richmond, but I guess he'll meet the same men there that he has already met. Grant will have a hard nut to crack, but I have not much to say concerning the movements of the army. I'll leave that to the Confederate Generals. We cannot get any papers from the State now, we only get Virginia papers and they are full with praises of Virginians, and North Carolinians seldom mentioned. I hope Holden's negro friends all right; also the Conservative candidates for the Legislature. I hope the citizens of North Carolina, at the ensuing election, will vote for and elect Holden and a Conservative Legislature. Gov. Vance, I see, is making speeches, electioneering, stirring up strife, &c. I thought better of him, but he is bound to be a beaten. North Carolina's brave soldiers say so and so do I. I see some of those Virginia papers try to induce to North Carolina soldiers how to vote, but this is absurd and you will see us all right in August next; that is all that are left but North Carolina is called to mourn the loss of many brave men, and many hearth-stones are made desolate, many mothers and wives are called to mourn the loss of their loved ones. I hope peace will soon be made, though I see no chance now, but our authorities should try to obtain peace.

I don't know how the candidates will run in my county (Nash) but I suppose Dr. Matthews, in the Commons and some other Conservative in the Senate, will be elected. I don't know who is the candidate for the Senate, but the Conservatives must elect a true man. Dr. Matthews we all know to be of the right sort and will do all in his power for his constituents. Excuse, which we have said and he will be.

In haste, your friend, G.

For the Progress.

TO THE VOTERS OF HAYWOOD COUNTY.

The emergency calls for the purest, ablest and truest Conservative men to serve the country in the legislative councils of the State. The well known character of Dr. E. T. Estes of Haywood, for patriotism, integrity and wisdom, plainly indicates him as the fittest man in the County to represent us in the next Commons. Dr. Estes is a true Conservative in the true meaning of the word, and wishes it to be distinctly understood that he runs on the Holden ticket and no other. He repudiates the crowfish course of Gov. Vance, first a true Conservative, then a Destructive Conservative, now a would-be Conservative again.—Dr. Estes is a well known and respected citizen, an intelligent and skilful physician of twenty years' practice, a man of mature and practical judgement, an honest Conservative patriot, he has furnished a practical illustration of the sincerity of his principles by dedicating his person and services to the cause of the people in active service. As a soldier [illegible] will be acquainted with our people [illegible] and events of the war, a [illegible] and identified with the agricultural interests of the country, yet liberal and [illegible] to all other legitimate pursuits.—In a word [illegible] and intelligent citizen, just the man to represent us in the House of Commons. Well known and universally esteemed as he is, he [illegible] peace Conservative, the Conservatives of Haywood County offer [illegible] Destructive opposition [illegible] 1863. [illegible] for votes for [illegible] Geo. Leeper. Parties who [illegible] and paid to make [illegible] gentleman.

Randolph and Alamance.—The true Conservatives of Alamance and Randolph counties are requested to meet in convention on the first Saturday in June, at Liberty, Randolph county, instead of the third Saturday in May, to put in nomination a candidate for the Senate, who will support for Governor Mr. Holden, endorsing the great principles of Gov. Brown and Vice President Stephen's of Georgia. May 16-td

To the People of North-Carolina.—In compliance with the wishes of many friends, I announce myself a candidate for the office of Governor of North Carolina, at the election to be held on the first Thursday in August next.

My principles and views, as a Conservative "after the straitest sect," are well known to the people of the State. These principles and views are what they have been.—They will not be changed.

I am not disposed, at a time like this, to invite the people from their employments, and add to the excitement which prevails in the public mind, by haranguing them for their votes. We need all our energies to meet the common enemy, and to provide means of subsistence for our troops in the field and the people at home. Let the people go calmly and quietly to the polls and vote for the men of their choice. I will cheerfully abide their decision, whatever it may be.

If elected I will do every thing in my power to promote the interests, the honor and the glory of North-Carolina, and to secure an honorable peace.

FRENCH BROAD LANDS FOR SALE.

GLEN CANNON FARM, TRANSYLVANIA COUNTY, N. C.

THIS FARM LIES ON THE FRENCH BROAD River, within five miles of Brevard, the county town, and is extensively known as the best tract of land, and the most productive property in the county and probably in Western North Carolina. In salubrity of climate, beauty of scenery, location and fertility of soil, it is unsurpassed by any property in the State. It consists of 1,370 acres land, 400 of which are first quality French Broad bottom, all of which, with the exception of 40 or 50 acres, are cleared and under a high state of cultivation, thoroughly drained and excellent fences, most of which are new lath fencing on locust posts. 2,875 bushels of corn were gathered from 28 acres of this land with ordinary cultivation and without any fertilizer ever having been applied to it. Ninety acres are laid down in the most approved mode, to the grasses and afford heavy crops of hay and excellent pasturage. The balance of the tract, say 970 acres, is the heaviest and best timbered mountain land.

The whole tract is under one boundary and may be subdivided advantageously, there being four very eligible and beautiful building sites, with bottom land attached.

On the premises is a good cottage residence, of five rooms, each with a fire place, kitchen, servant houses, ice house, storeroom, dairy, smoke-house, frames corn crib, capacity, 2,500 bushels ear corn, one double and five single negro houses, two tenant settlements, an excellent saw and grist mill, all built within thirteen years by the proprietor. The saw mill is driven by an overshot wheel of 28 feet in diameter, and is located at one of the most beautiful water falls of about 100 feet in height, and equal to 150 horse power, and only fifteen minutes walk from the residence.

The property for this year is under rent to Gen. Smith, of East Tennessee, who will give any information desired during the absence of the proprietor.

The price for these lands is $160,000, one hundred and sixty thousand dollars. Payment may be made in Confederate stock at the market value at Columbia, S. C., at time of sale.

With the above property can be purchased twelve remarkably prime and orderly negroes, being a picked gang accustomed to the culture of the farm in the most careful and cleanly style. Among them are two men plowmen, mowers, cradlers, &c., one is a good carpenter. Of the women, one is an excellent cook and spinner. The children are from 3 to 6 years of age. Also the farm tools, consisting in part of plows, harrows, horse rake, field roller, corn planters, sorgho mill, molasses boiler, corn sheller, straw cutters, timber carts, &c., &c. Also the stock of highly improved cattle.
