You And Social Security

Social Security offices are often crowded these days but for good cause. People aged 65 and over are heeding the advice to come in and file without delay so that they can be covered for hospital and medical insurance benefits on July 1, 1966.

Those people 65 or over who are not eligible for monthly social security benefits may file an application and be entitled to medicare. This is true whether or not there was any work under social security.

A short wait is well worth the benefits that filing an application will bring. In addition to the Medicare coverage, individuals may be pleasantly surprised to find that they may also be entitled to receieve cash benefits if their earnings permit.

Lex. G. Barkley, Manager of the Gastonia Social Security district office urges all individuals who are now age 65 or over not to delay filing. Once the application is on file, you cannot lose the right to benefits under either Medicare or Old-Age retirement insurance.

Visit the office at 1320 E. Franklin Ave. now or not later than March 31, 1966. The office is open daily, Monday through Friday, from 9:00 a.m. through 5:00 p.m. Barkley added that in order to make it more convenient for people to file claims, the Gastonia social security office will be open each Thursday evening until 8:45. In addition the office will also be open to the public on Saturday mornings from 9:00 to 1:00.

Butter production is up 1 per cent.
