"TWAS JUST ONE YEAR AGO TO-DAY" that I commenced catering to the wants of this people in the Tobacco line.

How well I have succeeded in giving you just the thing you most desired, can be attested by the thousands, who have extended to me their patronage.

In making my bow, for your past liberality, I enter upon a new year, with the determination to please you still better, if possible, give me a trial and see if I don't.

You have heard me blow a good deal about the Banker Cigars, for which I am sole agent in Raleigh, and which have justly won for themselves, an enviable reputation.

Just let me say one word more to their praise. It is the best ten cent Cigar in the State. I know the stock that goes to them, every particle of the filling is genuine Havana Tobacco, with the finest quality of wrapper, can't be beaten, no use trying.

I have the Opera Banker, three for twenty five cents same stock a shade smaller, six shem.

Cigars of all grades, twenty-six different brands.

Smoking and chewing Tobacco the best in town. Pipes of all kinds.

FISH GUANO,
950 Per Ton.

Owing to the low price of Cotton THIS VERY SUPERIOR FERTILIZER has been greatly reduced in price.

The following gentlemen used it last season, and recommended it highly:

Edmunds Jacobs, Esq., Jackson, N. C., says I am of the opinion the Fish Guano is the cheapest to the planter, and I have no doubt it is a most valuable fertilizer.

Mr. H. F. Pope, Newsoms, Va., used it on land, that without manure would not produce 200 lbs. seed cotton to the acre, he applied 250 lbs. Fish Guano to an acre and picked out 800 lbs. of nice seed cotton, and yielded 100 lbs. more of cotton than 200 lbs. of Peruvian did on same land. He expects to use it mostly on cotton this year.

Mr. Samuel Ford, Hickford, Va., says that the side of Peruvian, the crop of cotton from the Fish Guano was the best, the crop of tobacco and corn was equally as satisfactory. I shall use it on my spring crop. I think this is just what the farmers in the South need to renovate the exhausted lands.

Mr. A. K. Stevenson, Newsoms, Va., says I used the Guano under cotton, it gave perfect satisfaction. For cotton I prefer it to the Peruvian.

Mr. H. Liverman, Bertie county, N. C., says I used the Fish Guano in the drill by the side of the Peruvian, and do not hesitate in saying it was superior to the Peruvian, and when the difference in price is considered it is much to be preferred to the Peruvian.

Mr. W. W. Kennedy, of Elizabeth City, N. C., I used the Fish Guano by the side of some used from the barn yard; the cotton from the Fish Guano grew better during the season, and open a fortnight earlier and better. I also used the Peruvian Guano, though costing some third more, I prefer the Fish Guano on account, pound for pound.

Dr. Thos. J. P. Smallwood, of Bertie county, N. C., I authorize Messrs. Kader Biggs & Co. to say, I used the Fish Guano last Spring and have no hesitation in saying it was superior to Peruvian in every respect.

C. W. Skinner, Edenton, says, I think the Fish Guano an excellent fertilizer for grain or grasses.

Dr. W. A. Mosenburg, Southampton county, Va., says I think by the application of one ton of Fish Guano per acre, ordinary land can be made to yield 1,000 lbs. seed cotton, or 25 or 30 bushels of oats per acre.

It is also highly recommended by Henry Copeland, Jr., Rich Square, N. C., W. J. Bishop, Bertie county, N. C.; Thos. M. Johnston, Plymouth, N. C.; S. R. Joyner, Mattresboro, N. C.; R. J. Bass, Scotland Neck, N. C.; Chas. T. Deans, Hertford county, N. C.; E. H. Beaton, Boykins, Va.; W. H. Bridgers, Seaboard, N. C.; S. A. Nordsee, Rexford, N. C.; Beaton & Harrison, Boykins, Va.; Wm. S. Francis, Boykins, Va.; Sam'l R. Hilliard, Hilliardston, N. C.; John S. Mosereck, Halifax county, N. C.; Lafayette Taylor, Bertie county, N. C. And many others.
