MISS KNEECE ATTENDS CONFERENCE IN CHICAGO

Chosen as Greensboro High School Representative to Educational Broadcasting Conference.

Miss Eunice Kneece, history teacher at G. H. S. and chairman of the school radio council, was selected to be the representative from the Greensboro Senior High school at the second National Conference on Educational Broadcasting, which was held at the Drake hotel in Chicago, Ill. The conference was in session Monday, November 29, through Wednesday, December 1. Dr. George F. Zook, president of the American Council on Education, was chairman of the group.

MR. GARLAND RUBLE DIES AT CLINIC HOSPITAL

Mr. Garland L. Ruble, teacher of printing and mechanical drawing at Central Junior High School for the past two years, died at Clinic hospital, Wednesday, November 24.

A short funeral service was held at Hanes Funeral Home, Wednesday night; Reverends J. A. Vache and J. B. Craven officiated. The body was taken to Pittsburgh, Kans., for interment.

Mr. Ruble is survived by his wife, the former Miss Bernice Hutchinson; his parents, Mr. and Mrs. L. P. Ruble, and one sister, Miss Dorothy Jo Ruble.

Mrs. Bernice Ruble was secretary to Mr. Routh for a period of six months last year. At the time of her husband's death she was secretary at Caldwell school and assistant secretary of G. H. S. She has returned to Kansas where she intends to reside.

MEET THE JANITOR

When the HIGH LIFE reporter cornered Henry, the janitor in charge of cleaning, she found that he had several trenchant remarks to make.

"Please do not throw paper behind radiators, in the halls, or on the grounds," was Henry's big request. He also asked that the students "not throw banana peelings on steps, halls, or class rooms," as the Science building maid was absent, at the time of the interview, because of a sprained ankle she received when she slipped on a banana skin.

Henry and the two cleaning maids have found that the main building is the hardest to keep clean, but there were several rooms which he mentioned as being well kept. Those are the session rooms of Miss Farlow, Mrs. Betts, Miss Moser, Mrs. Avery, Miss Cason, Mrs. Ruble, Miss Cohoon, and Mrs. Smith.

Incidentally Henry suggests that we use Mr. Routh as a model of good housekeeping. He says that he has "never seen a piece of paper on the floor" in the principal's office.

Henry also has very definite ideas about that "budding romance,' which he has observed developing between two new teachers. Well we hope that the observance of this little affair will help to make Henry's work less dreary.

MR. B. L. SMITH MAKES SPEECH AT DUDLEY

Mr. B. L. Smith, superintendent of the Greensboro city schools, delivered a speech to the Negro school principals at a special meeting at Dudley High School, Tuesday afternoon, November 30.

In his talk Mr. Smith outlined methods for the supervision of schools and listed the responsibilities of the principals.

"Here comes the parade, where's Aunty?"

"She's upstairs, waving her hair."

"Goodness, can't we afford a flag?"—"Salemite."

Mary had a little watch
She swallowed it.
It's gone . . . .
Now every time that Mary walks,
Time marches on!—"The Camlicoan."

MONOGRAM CLUB STARTS NEW SPORTS PROGRAM

For the first time in the history of this high school, a program of intramural sports has been started by the Monogram club.

The first contest in this series is the wrestling contest, in which the first round was run off Thursday. The finals will be run off Tuesday of next week. Approximately 40 boys are taking part, and the tournament, as a whole, is proving a great success. None of the regular wrestlers are allowed to compete, and the winners will be invited to try out for the varsity squad and will be awarded medals in the spring when the varsity boys receive their letters.

This tournament will be followed by similar ones in boxing, tennis, swimming, etc. An attempt is also being made by the Monogram club to raise money to buy a badminton set for boys and girls.

OFFICERS ARE ELECTED FOR EXCURSION CLUB

Grady Reed was elected president of the Excursion club at a recent meeting, while Bob Dillon was elected vice-president, and Mary Patterson, secretary.

The club, under the capable direction of Miss Moser and Mr. Thomas, is making definite plans to visit the Municipal building, and such places of interest as the city court, the jailhouse, and the E. A. Pierce Stock exchange.

A Year-Round Program of Health and Happiness

We understand that

Mr. Stanley Johnson likes collards—do you?

Miss Ida Belle Moore, petite mathematics teacher, Miss Nora Chapin, formerly of the history department of G. H. S., now of the faculty of Duke university, and Mr. J. Stanley Johnson, assistant principal of G. H. S., attended the same high school in Burgaw, N. C. Incidentally the Indian name for "Burgaw" was "mud hole"—but after all, Lincoln lived in a log cabin; so we have a right to expect big things of the above three.

A joint meeting of the Girl Reserve and Hi-Y clubs will be held December 12 at the First Presbyterian church. The address will be delivered by Dr. Charles F. Myers.

Miss Barton has been teaching Miss Kneece's history classes for the past week, due to the latter's absence.

The unusual masks which have been on display in the library were made by Mrs. Braswell's art classes.

Mr. Routh recently attended the Western Class A championship game which was played at Chapel Hill.

Prof. J. A. Tarpley, principal of Dudley High School, spoke to students of A. and T. College last week in chapel.

LOCAL PRINCIPALS WILL BE AT DURHAM FRIDAY

Four principals of local schools will attend the meeting of the North Carolina city high school principals to be held in Durham Friday and Saturday of this week. These include A. P. Routh, Senior high; Frank Johnson, Lindley Junior high; H. A. Helms, Central Junior high; and Dr. George Anselm, Curry Training school.

The meeting will be presided over by Paul Reid, principal of Roanoke Rapids high school and president of the state organization. Dr. Elmer H. Garinger, principal of Central high school in Charlotte, will have charge of the program.

Walter Meyer, Washington representative of the National Education association, will be the speaker for the event.

Miss Smith asked her English class to write a theme on a ball game. The next day, while reading the themes, she came to a paper which read, "Rain—no game."—"Sky High."

He stood on the bridge at midnight
Disturbing my sweet repose;
For he was a big mosquito
And the bridge was that of my nose.
—"Centralite."

Teacher: "Have you given the gold fish fresh water?"

Student: "No! They haven't finished the water I gave them yesterday."—"Crow's Nest."

Other toasts to be made include: Merrimon Le Grand's to L. E. Following the banquet, friends of the Girl Reserves will attend an open house in the gymnasium.

GUILFORD COLLEGE CHOIR GIVES CHAPEL PROGRAM

The Guilford college A Capella choir appeared in special concert during chapel exercises here today. The choir, which is known throughout the eastern part of the United States, is directed by Ezra H. Weis.

This was the choir's first appearance in Greensboro for the present school term. The program attracted much interest since a large number of the members are former students of this school.

WHIRLWINDS LAND THREE ALL-CONFERENCE BERTHS

L. E. Dempsey, Capt. Charles Baker, and Charles Hipp each rated berths on the all-conference team, the line-up of which was released late Monday. According to several sources, it is believed that Dempsey and Baker also stand a good chance to land on the all-state aggregation.
