This will carry them out in the neighborhood of the Mineral Springs. The second cargo of rails is now being loaded in Philadelphia and will be on the way here in a few days. Notice to Advertisers.

Parties frequently have advertisements inserted "till forbid," and allow them to remain longer than they suspect, and then object to paying for such insertions. Our space costs us money, and we must and will charge for its use. All parties may expect to pay full transient rates for all "till forbid" advertisements. We hope there will be no further misunderstandings upon this point. It is much more satisfactory all round, to fix length of time and agree to rate of charges in the beginning.
