From the Petersburg Index.

"*The success of our friend Nash* is proof sufficient that he *gets the best*, if has varied musical attainments were not well enough known to *justify the belief*."

From the Petersburg Courier.

"Persons in want of good pianos cannot do better than visit the establishment of Mr. Jas. Van Holt Nash, of Petersburg, Va. Being a through musician himself, he is a splendid judge of the instruments."

NEW AND SPLENDID
PIANO FORTES,
From the GREAT UNION CO., of New York.
JAMES PIRSSON,

Respectfully informs the public that he has ordered a stock of these superior instruments and expects them in a very short time. Such is the great and increasing demand for these Pianos that the company have erected a new factory of sufficient capacity to manufacture sixty Pianos per week, and are now moving into it, which creats a little delay in the supplying of orders, and with the increased facility of machinery, and the finest workmen that money can procure, and an unlimited capital, the company are enabled to defy competition and put their Pianos in the market at a lower price than any establishment in the United States. Persons who are about to purchase Pianos will do well to wait the arrival of these Pianos, which will shortly be on exhibition at J.
