A New Map of North Carolina.

THE undersigned are preparing, and will publish as soon as the necessary Surveys, &c., can be obtained, a New, Large and Complete MAP OF NORTH CAROLINA, five feet by three, well engraved and finished in the best style.

It is admitted on all sides, that such a work is a great desideratum in our State, and it is in consequence of the frequent enquiries on this subject, that the undersigned have embarked in the enterprise.

The only attempted work of this kind is that of McRea, published in 1833; and since then the Counties, Towns, Roads and Post-offices have increased in number, and all our works of Internal Improvements, with small exceptions, been set on foot.

It is intended that the New Map, now proposed to be published, shall contain, accurately laid down, all the Natural Features of the State, the Inlets, Harbors, Sounds, Lakes, Rivers, Creeks and Mountains, &c.

Also, the public improvements and artificial divisions The Railroads, Plankroads, Counties County towns, Post offices, Cities Villages, Post-roads and Canals, Colleges, Academies, &c. &c.

The Map will be ready by the summer of 1855.

THAT COMMISSION HOUSE OF

TINLEY & HERRON'S,

CHARLESTON, S. C.

THE only house doing business in that city that actually had any experience in Receiving and Forwarding of Goods previous to the South Carolina Railroad quitting the business in July last, is still open for the RECEIVING and FORWARDING of all kinds of Goods, Wares, Merchandise, Machinery, Produce, &c.

If you want your goods forwarded without the vexatious delays and enormous expense bills paid the last season, and at the same time have your business done in such a manner that somebody will be made responsible for the damaged and lost packages, consign them to TINLEY & HERRON, who have Received and Forwarded all Goods consigned to them during the past season without any extra charge over those established rates as given below, and up to this time have not encountered a solitary complaint.

Our Mr. Herron was Clerk of the Receiving and Forwarding Department of the South Carolina Railroad for the past seven years, and is perfectly familiar with all their books, freight tariffs and rules of shipment, both by railroads and vessels, together with the mode of procedure to secure damages and pay for lost articles from other parties, the proper steps of which will be taken in all such cases without loss or delay to the owners. Another important advantage is that his thorough knowledge of all freights and rules of shipment, enables him instantly to detect and correct any overcharge in the bills of ladings which in all cases has to be done at that time, or be lost to the owner, in many instances greatly exceeding the commissions we charge. He was also raised in Charleston, is perfectly acclimated, and free from the contagious of that city, therefore we will under all circumstances faithfully discharge any business entrusted to us.

All produce, such as Wheat, Flour, Corn, Corn Meal Bacon, Lard, Butter, Eggs, Cotton, Rice, Rye, Oats, Hay, Tobacco, Wool, Feathers, Beeswax, Potatoes, Onions, &c., consigned to us, will be promptly sold and proceeds returned, without keeping the money a few months to speculate upon; for we wish it distinctly understood that we engage in no speculation whatever, all that we want is our commission, as follows:

For Receiving and Forwarding all ordinary packages of goods, 10 cents; large packages of furniture and machinery, charges according to responsibility. Iron and steel in loose bars, 10 cents per hundred lbs; for advancing freights, and charges two and a half per cent, which you can save by depositing the money with us; for selling produce 2½ per cent. We will also fill all orders in this market, making the best selections for our patrons, at 2½ per cent.

I will give Twenty Dollars reward for Isaac, delivered to me or confined in any jail so I get him again, or I will give Fifty Dollars reward for him with sufficient proof to convict any white person of harboring him. BLANK DEEDS FOR SALE HERE.

WHEAT MARKET,

Springs' Mills.

I wish to purchase three or four hundred thousand bushels of good merchantable wheat, for which I will pay the highest cash price.

Charlotte from its facilities of transportation is one of the best inland markets in the Southern States. I have erected large Merchant Mills contiguous to the Railroad capable of grinding three hundred barrels of flour per day, and to keep them running I must have wheat. So bring it along, if you want the highest figure for it.

I am prepared to grind for toll. If you want flour whose brand will be sufficient to sell it in any market in the world, here is the place to have it manufactured. These Mills have already made a reputation not inferior to any in the country.
