The New-York *Times*, in speaking of Mr. WEBSTER's death, says: "Of the eminent men of the United States who have been voted for President, only two are now alive, out of eleven. The candidates in 1824, were CRAWFORD, JACKSON, CLAY and ADAMS. In 1828, JACKSON and ADAMS. In 1832, JACKSON, CLAY and WIRT. In 1836, VAN BUREN, WEBSTER and HARRISON. In 1840, VAN BUREN and HARRISON. In 1844, CLAY and POLK. In 1848, CASS and TAYLOR.

ELOPEMENT IN HIGH LIFE.

Information has just reached London by electric telegraph, that Miss BLAIR, a ward in chancery, and a rich heiress, possessing between £800 and £1000 a year, eloped from Taunton, with GARRAT O'MOORE, Esq., of Kings County, Ireland. The young lady, who was residing with her mother and stepfather, Captain MEAGHER, and who is extremely beautiful, as well as highly accomplished, is only seventeen, while the fortunate gentleman is verging on forty.

Mechanics, Manufacturers and Inventors.

A NEW Volume of the SCIENTIFIC AMERICAN commences about the middle of September in each year. It is a journal of Scientific, Mechanical, and other improvements; the advocate of industry in all its various branches. It is published weekly in a form suitable for binding, and constitutes at the end of each year, a splendid volume of over 400 pages, with a copious index, and from five to six hundred original engravings, together with a great amount of practical information concerning the progress of invention and discovery throughout the world.

The Scientific American is the most widely circulated and popular journal of the kind now published. Its Editors, Contributors, and Correspondents are among the ablest practical scientific men in the world.

The Patent Claims are published weekly and are invaluable to Inventors and Patentees.

DEAFNESS AND EAR DISEASES RADICALLY CURED.

DR. LE BRUNN offers to those suffering from Deafness, his infallible Aural remedies, which have been successful in nearly a thousand cases of confirmed deafness. These remedies comprise different courses for diseases of the internal, middle, and external Ear, and have been pronounced by those celebrated aurists—Drs. Kramer, of Berlin; Itard & Deleau, of Paris; Curtis, Pilcher & Yearsley, of London—as being the most wonderful and effectual ever applied for diseases of the internal and middle ear; their effects are apparent on the fifth or sixth day. Dr. Le B. WARRANTS a cure in every case where the ear is perfect in formation. He has eighteen certificates of cures from those who had been near and stone, and whose hearing is now completely restored, and are enabled to learn the language! The names of over twenty-seven hundred persons, who have been cured by Dr. Le B., may be seen by application. Patients, by sending a description of their case, can have remedies sent to any part.—Terms—$5 consultation fee; $10 fee to be paid when the hearing is restored to its original acuteness, or when a watch will be heard to beat at the distance of eighteen feet from either ear.

N. B.—Dr. Le Brunn's Treatise on the Ear and its Diseases, and Treatment of the Deaf and Dumb translated from the French—price $1. Address Dr. Le Brunn, Union Square, New York City.
