TO FARMERS AND PLANTERS.
Double Refined Poudrette, of the "Lodi Manufacturing Co." for sale in lots to suit customers. This article is sold for *half the price* of the other fertilizers, and is cheaper for Cotton, Corn, Grass and Vegetables than any other in the market. It is made entirely from the night-soil, offal, &c., of N. Y. city. Price, delivered on board in New York city, twenty-five dollars per ton. I ask attention to the following testimonials:
J. A. J. Askew, of Colerain, N. C, in a letter dated Sept 16th, 1870 says: "I let several planters have some of the 'Double Refined Poudrette.' One says he wants five tons next season to put under corn. I used four tons on corn, and although the season was unfavorable it astonished every one who saw it. I think it the best fertilizer for corn I ever saw."
Daniel McLaury, of New Brunswick, N. J., under date of August 11, 1870, says: "Upon the recommendation of Prof. Cook, of the New Jersey state Agricultural College, who analyzed the Lodi Co.'s Double Refined Poudrette, I used it very extensively two years ago. This year I used, in connection with a neighbor (N. H. Dudley,) about $2,500 worth of Double Refined Poudrette. I can cheerfully recommend this to be, as I believe, a cheap and valuable concentrated fertilizer."
