NORTH CAROLINA MASONIC TEMPLE ASSOCIATION.

BOARD OF DIRECTORS:

WM E ANDERSON, WM G UPCHURCH, WM J HICKS, THOS H BROOS, JNO NICHOLS, J B GAYLE, H T CLAWSON.

1. From the Report of the General Agent, we find the amount of unconditional, or subscriptions payable in money, to be about $50,000, of which about $17,275 is subscribed by the Grand Lodge and its Subordinates in their corporate capacity; the balance by individuals. About $3,000, beside this, is made payable in labor are left out of this estimate altogether.

2. The plan upon which these subscriptions are made, viz: One dollar per month on each share of $25, makes the notes mature slowly, and added to this, the difficulty of procuring local agents to collect the monthly instalments promptly, has caused delay in the accumulation of funds in the Treasury: From the Treasurer's Report, we find that nearly $8,000 has been paid on these instalments, and for information as to the disbursements made by the Board of Directors, we refer to that report below. The Financial Secretary's Books shows that $24,000 is past due and unpaid. This we consider a sufficient answer to the question often asked: Why don't you commence the work?

3. The lot upon which we propose to erect the Temple, we believe to be one of the most eligible situations in the city for the purpose. It fronts 105 feet on Fayetteville street, 210 feet on Davie street, admirably located for drainage, &c. This lot has been purchased for the sum of $12,250. It is one-fourth of the square which will be occupied by the United States Court House and Post Office on one corner, Wake county Court House in the centre, and the Temple on the other corner. Besides, the Yarboro Hotel opposite, now being enlarged and beautified, will make this the most attractive portion of the city. We have paid nearly $5,000 on this property, now worth $20,000, and it is earnestly desired to secure title as soon as possible. When this is done, the policy of the Directors will be to proceed at once to make arrangements for commencing the building, and not till then. If the Masons of the State cannot at this time raise $100,000 as at first contemplated, we must be satisfied with a building of less dimensions as far less money. It will, therefore, be seen at a glance what we need now, and the agent has been instructed to proceed at once to collect all dues on stock already taken, and also increase the list when possible. Stockholders are earnestly requested to make immediate payment, that the work may go forward without further delay.

IMPORTANT NOTICE.

NEW ADDITIONS TO OUR LARGE AND ATTRACTIVE STOCK OF

DRY GOODS, NOTIONS, BOOTS, SHOES, HATS, &c.

Our Senior Partner has just returned from New York where he has been for several days making purchases at panic prices, to supply the deficiencies in our stock made by our unexpectedly good trade this season. In returning our thanks to our patrons, we say to them and the public, that our late purchases were made at a very great decline, and that we are now selling our stock at such prices as to justify us in saying that such bargains have not been offered since the war.

We have a good supply of Burt's, Ziegler's, and Bay State hand-made shoes and gaiters for Ladies, Misses and Children. Also, for gentlemen, Canfield's, Porter, Day & Co's, and Burt's single and double sole calf gaiters and boots, which we offer at very low prices. All wishing to purchase will not regret calling upon us and examining our stock and prices. We sell for cash and have fixed our prices on a cash basis. Therefore those buying of us do not help bear any risks for bad and slow debts. Very liberal prices to merchants buying in this market.

We have just received some very late styles of hats, including Opera, Snowflake, Chesterfield and Clementine.

DIAMOND SPECTACLES.

The Spectacles are manufactured from "Minute Crystal Pebbles" melted together, and are called diamond on account of their hardness and brilliancy. It is well known that Spectacles cut from Brazilian or Scotch pebbles are very injurious to the eye, because of their polarizing light. Having been tested with the polariscope, the diamond lenses have been found to admit fifteen per cent less heated rays that any other pebble. They are ground with great scientific accuracy; are free from chromatic abberations, and produce a brightness and distinctness of vision not before attained in spectacles. Manufactured by the Spencer Optical Manufacturing Company, New York. For sale by responsible agents in every city in the Union.

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG,

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. PRATT'S ASTRAL OIL.

Absolutely safe. Perfectly odorless. Always uniform. Illuminating qualities superior to gas. Burns in any lamp without danger of exploding or taking fire. Manufactured expressly to displace the use of volatile and dangerous oils. Its safety under every possible test, and its perfect burning qualities, are proved by its continued use in over 300,000 families.

Millions of gallons have been sold and no accident—directly or indirectly—has ever occured from burning, storing or handling it.

The immense yearly loss to life and property, resulting from the use of cheap and dangerous oils in the United States, is appalling.

The Insurance Companies and Fire Commissioners throughout the country recommend the ASTRAL as the best safeguard when lamps are used. Send for circular.
