MRS. WINSLOW

AN EXPERIENCED NURSE and FEMALE PHYSICIAN presents to the attention of mothers, her

SOOTHING SYRUP,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will relieve ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to your selves, too.

Relief and Health to your Infants.

We speak advisedly of what we know from years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never seen done to any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE TO EFFECT a cure when used according to directions—IT FAILED IN NO INSTANCE to give rest to the child within three hours after first dose was given. Never was we shown an instance in which it did not operate speedily and well in every case where it was used. On the contrary, all who are acquainted with its operation, can speak in terms of commendation of its magical effects and unmixed virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience, AND PLEDGE OURSELVES TO THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the child is suffering from pain and exhaustion, relief will be found to follow in fifteen or twenty minutes after the syrup is administered.

MRS. WINSLOW'S SOOTHING SYRUP

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Griping in the Bowels, and Wind Colic

and overcome convulsions, which, if not speedily remedied, result in death. We believe this to be the best and surest remedy in the world, in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the instant you do, the result is SURE—you will SOOTHE YOUR CHILD, and it will be the BLESSED MEANS of giving immediate rest to your infant, and comfort to your family. Full directions for using will accompany each bottle. None genuine without the fac simile of CURTIS & PERKINS, N. York, on the outside wrapper.

Sold by Druggists throughout the world.

PRINCIPAL OFFICE, 13 CEDAR STREET, N. Y.

Price only 25 cents per bottle.

For sale in Charlotte, by E. Nye Hutchison & Co. and F. Scarr.
