Official Report:

The following is the sworn returns of the sales of Sewing Machines made by the leading Companies for 1874.

An examination of the figures below will show that the "Singer" has largely increased its sales while the other Companies have fallen off. The Singer has shown a large increase in sales every year as the statement below for the last four years will prove.

In 1871 the Singer sold 38,734 more machines than their highest competitor.

In 1872 the Singer sold 45,605 more machines than their highest competitor.

In 1873 the Singer sold 113,254 more machines than their highest competitor.

In 1874 the Singer sold 148,659 more machines than their highest competitor.

Making the sum total of 876,137 Machines in four years and 360,366 more than their highest competitor.

These facts prove the great superiority of the Singer over any other machine. Now the question is, how long will other companies be able to keep offices open in the different cities and towns where they are selling so few machines.

Persons who think of buying or exchanging old ones (of whatever kind) are invited to consult their interest by getting a reliable machine from the old and reliable Singer Manufacturing Co.

Harpers Magazine.

ILLUSTRATED.

The ever increasing circulation of this excellent monthly proves its continued adaptation to popular desires and needs. Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*

TESTIMONIALS:

The Medicinal properties of the Southern Pine have long been known to the profession and as the science of medicine advances, the development of this Wonderful Tree in the healing art, has gathered around it the confidence of the medical world. Growing in our midst and clothed in perpetual verdure, it stands the Emblem of Life and Health, and offers from its veins a balm for almost every human disease.

This combination was first prepared by the soldiers and sent to the army. Its wonderful development, and the increasing demand for it was a matter of surprise to its originator, humanity, as well as interest demand that it go to the word. It gives relief at once. All who use it will endorse every testimonial that follows:

But for one box of Dr. C. T. McMannen's American Tar Mixture, I obtained while in the army, I should have been in my grave.

R. R. BRIDGER,

President W. & W. R. R.

To the soldier it is invaluable. It is worth its weight in gold to all who are afflicted with a cough.

GEN. BUFORD,

Va Cavalry.

Goldsboro, N. C.

After spending eighteen months in a southern climate to restore my lungs, I gave up in despair, and came home to die with my children in Goldsboro, N. C. While there I obtained a box of Dr. McMannen's Tar Mixture. Its first effect was to enable me to sleep; my strength began to return; hope revived; my cough gave way. After using six boxes, I was restored to health. I now weigh 160 lbs. I owe my life to this mixture, and wish this published to the world.

R. E. ROBINSON.

I have been afflicted with a cough for thirty years. I have used all the popular remedies for coughs. I have never found anything to remain on the stomach or give any relief, until I used Dr. McMannen's American Tar Mixture. Its use enables me to sleep well, my lungs have gained their strength, and I find myself entirely free from a distressing cough that attacked me in the morning. I am rapidly recovering.

MRS. POTTER PASCHAL.

My lungs gave way while on my circuit. I was forced to retire from my work, and had but little hope of recovery. I used one box of Dr. McMannen's Tar Mixture, my cough improved, my strength returned, and I was soon able to resume my work. I recommend it to all who have a cough, or weak lungs.

M. J. HUNT,

N. C. Conference.

Durham, N. C.

Of all the medicine you have taken, the Tar Mixture is the only thing that has done you any good.

MRS J. R. GREEN,

To her Husband.

Gibsonville, N. C.

I have tried almost everything for my cough. Your Tar Mixture has done me more good than all I have taken. Send me three boxes more.

LUDWIG SUMMERS.

Durham N. C.

I was taken with an alarming cough; was fearful of its result; suffered for want of sleep. I used one box of the American Tar Mixture. From the first day I used it, I felt its good effects. I slept sound and my strength increased; and I now have myself again. I can conscientiously recommend it to all who are afflicted with consumptive symptoms or weak lungs.

W. K. STERON.

Durham N. C.

I have used Dr. C. T. McMannen's American Tar Mixture myself, and in my family. I do not hesitate to recommend it as a remedy for cough in all cases of cough, Colds, croup, throat, Bronchitis and lung disease.

D. C. PARRISH.

Hundreds of other Testimonials could be offered. Take of it at all times in portions of half a teaspoonful at a time. No danger whatever.
