NOTICE to TRAVELLERS GOING NORTH.

WINTER ARRANGEMENT.

VIA Portsmouth and Roanoke Rail Road and Chesapeake Bay Line Steamers.

ON and after the 16th instant, the Boats on the Chesapeake Bay will run only three times a week.

The Steamer Georgia, Capt. Coffee, having undergone extensive repairs for the Winter service, will leave Portsmouth for Baltimore on Tuesdays, Thursdays and Saturdays, immediately on the arrival of the Cars from Weldon. By this route, Passengers may rely on a certainty of reaching Baltimore.

The Bay Company have engaged the services of the Ice Boat, whenever the Ice is so bad as to prevent the Georgia's reaching Baltimore; should the Ice Boat be unable to get through, the Passengers will be landed at Annapolis from whence they may proceed (by Rail Road) either to Baltimore or Washington City.

Passengers wishing to take this popular route, leaving Raleigh on Mondays, Wednesdays, and Fridays, and taking the Stage at Sledge's, will proceed direct on.

The Daily Line will be resumed early in the Season, of which due notice will be given.

Truth Akin to Nature!

HAVE YOU PAIN? Be thankful. It is a vigorous effort of Nature to throw off morbific matter. From what may the morbific matter arise? From a bruise, or unwholesome air which has become mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, in consequence of the want of power in the proper organs to discharge it. THIS PAIN WHICH SO FRIGHTENS PEOPLE is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to EXPEL the the PECCANT or IMPURE matter, which would otherwise destroy the human fabric. All diseases are of the solids or fluids, or both. When we have pain in our head, or in our foot, in our throat or in our back or bowels, let us but be satisfied that it is produced by the efforts of our blood to throw out morbific matter, and if this be so, if we can but believe and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take away the blood. For the Blood, *EVERY DROP WE HAVE IS REQUIRED TO INSURE ULTIMATE HEALTH* to the body; we must *NOT LOSE A DROP*; neither must we use any medicines internally which are not perfectly harmless, if applied externally to the body. So we must not use any of the preparations of mercury, *neither must we use any* vegetable medicine of *CORROSIVE POWER.*

In order to discriminate between Truth, which is eternal, and conjecture, which is like a transient vision, we must be guided by the light of *EXPERIENCE*. To what does experience direct? To the FREE USE OF DR. BRANDRETH'S PILLS in all cases of bodily suffering. As this advice is followed, SO WILL THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief. In all acute diseases let Brandreth Pills and mild diet be used, and the patient will soon be restored to good health. In chronic complaints let the Pills be used as often as convenient, by which means the vitality of the blood will be improved, and a crisis will be generally brought about; the disease being changed to acute, a few large doses of Pills and a few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figure of the imagination; it can be proved by a thousand matter-of-fact men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough; whether it be asthma or consumption; whether it be rheumatism or pleurisy; whether it be typhus or fever and ague, or bilious fever; cramp or hooping cough, or measles; whether it be scarlet fever or small pox, that the Pills, known as Brandreth's Pills, will surely do more than all the medicines of the Drug Stores; for your restoration to health; and what is more will surely do you no harm.

TRUST TO BRANDRETH'S PILLS, take them so as to produce a brisk effect, and your sickness will be the affair of a day or two, while those who are too wise to follow this common-sense advice, will be sick for months. Let the sick enquire of the agents for Brandreth's Pills whether these things be so or not. Let them enquire among their friends and ask the same question. Verily if EVIDENCE is wanted it shall be procured. To the Sick, let me say, use the

STATE of North Carolina, Halifax County—In Equity.

M. Farrell and others,
vs.
M. H. Pettway, Trustee.

This case coming on to be heard on the bill and answer: It is ordered that the Clerk and Master take an account of the trust fund in the hands of the defendant, M. H. Pettway, and that he report what is a reasonable allowance to the said Defendant, for his trouble and risk in the management of the said fund; that the Master ascertain the amount of the several liabilities of James Simmons, mentioned in his deed to the said Mark H. Pettway, and to whom due; that he report when the defaults of the said James Simmons, as Clerk of the County Court of Halifax, occurred, and who were then his sureties; and that he further report when the said James Simmons became Deputy Clerk in Equity, and when he became indebted to the Master's office, and who were the sureties of the Clerk and Master when the Deputy Clerk used the money belonging to the office of the said Clerk and Master; It is ordered also, that the Master advertise for all persons to come in before him, who set up any claim to the funds in the hands of the Defendant, M. H. Pettway, in some newspaper or newspapers by him to be selected, for the space of thirty days, before his taking of the account aforesaid with the evidences of their respective claims.

As directed by the foregoing order, I shall, on Friday the 24th day of February next, (being Friday of our Court week,) at my office in the Town of Halifax, proceed to state an account according to the requisitions of said order, and sit from day to day until the same be completed. All persons interested in the several matters then to be enquired into, will come forward, make known their claims, and produce the evidences thereof.
