FANATORIALS

Bargain day. Two for a quarter. First game called at 2:30 o'clock.

Fuller, the new first baseman, will be in the game.

Swell the crowd and make it a rip roaring day for the Champs.

Manager Hicks is going after the two.

Price will pitch the first and Hammersley the second game.

With the lineup the Champs now have they are 50 per cent stronger.

For the first time in the history of the Carolina association, Charlotte went to the top for a one-night stand.

It is easy to go to the top, but it is hard to stay. Easy.

The Champs will have a say so about who this pennant will go to before the end of the season.

WHAT A SUMMER COLD MAY DO.

A summer cold if neglected is just as apt to develop into bronchitis or pneumonia as at any other season. Do not neglect it. Take Foley's Honey and Tar Compound. It loosens the cough, soothes and heals the inflamed air passages, and expels the cold from the system." Howard Gardner.

Performances in the theater at 8:30 and 10 p. m., with a change of program every night free at Lindley Park.

RAIN WON YESTERDAY DOUBLE-HEADER TODAY

Rain broke up the matinee between the Electricians and Patriots yesterday and according to the new custom of getting postponed games off at the earliest moment a double header has been announced for today. The first game will begin at 2:30 and the second as soon as the players have had a breathing spell.

Walters and Price have been announced by the local management, while the opposing artists will be selected from the following trio: Brennan, Pellican and Farmer.

The Electricians, touted as the best team in the league, are going at a rapid clip these days, but Hicks and his cohorts are also picking up and the bill this afternoon will likely draw a good crowd.

SCOTLAND NECK ITEMS.

Scotland Neck, June 13.—Some days ago E. F. Powell, jr., son of E. E. Powell, sr., who, on March 4 shot and killed Policeman C. W. Dunn and wounded Hons. E. L. Travis and A. Paul Kitchin, was arrested, charged with selling whisky. He was tried before Mayor A. C. Liverman. A large number of witnesses were examined, and ten indictments made against him. Teh mayor considered the evidence sufficient to bind Powell over to court, which he did, and fixed his bonds at $350 in each case, justified, which made a total of $3,500. Powell was unable to give the bond and was carried to Halifax and placed in jail. His case, or cases, will come up during the August term of Halifax Superior court.

During the trial one witness gave evidence that caused the arrest of Jim Anthony, a negro, who was brought before the mayor and was placed under a $350 bond, but later the case was reheard and Anthony was released, as the mayor did not consider the evidence sufficient to hold him.

After Blind Tigers.

The officers are making a commendable effort to break up the blind tiger business here, and the citizens are lending their influence. There are other places under surveillance and other arrests may follow. It is said that there are a number of places in and around Scotland Neck where liquor can be purchased, and for these places the officers are fishing.

Death of Infant.

On last Friday morning just at twilight the spirit of little Frances Louise, infant daughter of Mr. and Mrs. E. J. Proctor took its flight from earth to heaven. The little one had been sick only a few days and critically sick for only a few hours, congestion being the cause of death. She was born on December 28, 1909, and died Friday, June 10, 1910. The remains were interred in the Baptist cemetery on Saturday afternoon at 3 o'clock, Rev. R. A. McFarland conducting the services. Little Misses Aileen Pope, Elmyra Jenkins, Myrle Wilkinson and Lena Smith Cheers bore the little white casket to the open grave and Miss Emily Biggs sweetly sang "Over the River I Know I see."

Supplied the Pulpit.

Rev. W. A. Poland, of Roanoke Rapids, preached yesterday morning and evening in the Methodist church in the absence of the pastor, Rev. Thomas A. Jones, who is assisting in a meeting at Rosemary, one of Mr. Pilond's charges.

Post Philosophy.

A good chaperon is neither a spy nor a go-between.

Some political issues are born, and some are made, but most of them are thrust upon us.

Few people can miss a train without blaming the railroad.

Men who won't take a set-back from a throw-down, have a lot of get-and-get in them.

Wise politicians don't count on all rooters voting as they root.

When a swindled man pretends he feels the shame of being easy more than his loss he is hiding something.

Late hours are seldom well kept enough not to show it.

Even the coziest corner has to have a little variety.

Losses from hesitation are fewer than those from impulse.

THE CONSRVATION OF NATURE'S RESOURCES.

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition and took warning before it was too late. He says: "I suffered severely from Plural Subjects With Singular Verbs. (F. R. Lounsbury in Harper's Magazine.)

The principal difficulty with the rule that two singular nouns united by the conjuction and must have the verb in Kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Howard Gardner.

DRY GOODS MARKET.

New York, June 13.—The cotton goods markets were quiet and barely steady in the primary division during the day. Some of the large jobbers are buying very moderately to cover early requirements. Yarns rule fairly steady with a light demand reported. Dress goods are in light request, failures of a cloak and suit makers strike holding back business from the cutters. Raw silk is quiet and easy.
