INFORMATION
To Travellers going North,

Comparison of Expense to Travellers going North by the Great Mail Route, and the James River and Chesapeake Bay Line.

BY THE BAY LINE.

From Gaston to Baltimore	$9 00
Breakfast in Baltimore	50
Fare by the morning line to Philadel'a.	3 00
Dinner on the Road	50
Whole expense	$13 00

BY THE GREAT MAIL ROUTE.

From Gaston to Baltimore, by the R. R. and Steam Boat to Washington, and thence by the Stage line to Baltimore $8 50, or by Rail Road line throughout two dollars and fifty cents more. Making	$11 00
From Baltimore to Philadelphia by the evening line,	2 00
Two Meals between Petersburg and Philadelphia,	1 00
Whole expense	$14 00

It will thus appear that the whole expense between Weldon and Philadelphia by the Great Mail Route, even if the Traveller takes the Washington and Baltimore Rail Road, is *but one dollar more* to Philadelphia, and the Traveller reaches Philadelphia by this route *one business day earlier* than by the River and Bay route, resting on the way and avoiding not only the uncertainties and risk of greater delay by the Bay line, but its liability to *accidents, storms, sea-sickness and other discomforts.*

THE Proprietor of this delightful and salubrious Summer Retreat, takes pleasures in announcing to his friends and the public, that his House is now open for the reception of visiters, and that no reasonable trouble or expense will be spared to render comfortable those who may favor him with their company. Having aded a *large three story building* with many comfortable and pleasant rooms to his former establishment, he is prepared to accommodate a much larger company than heretofore, and assures those who may be disposed to patronize him, that his Table shall be *equal at least* to any in the State.

Satisfactory evidences of the Medicinal properties of the water might be given, but he deems it only necessary to say that a recent Chemical Analysis by Professor Hardy, proves it to contain the following Gases, Salts, &c., in quantities amply sufficient for all useful purposes, viz: Sulphuretted Hydrogen and Carbonic Acid Gas; Sulphate of Magnesia; Sulph. of Lime; Muriate of Soda; Oxide of Iron, &c.

The water is peculiarly adapted to the cure of diseases of the Liver, Kidneys and Skin, Dyspepsia, feeble Digestion, Jaundice, &c.

Such arrangements will be made as will enable those who travel by the Rail Road [which runs within 12 miles] to obtain at all times the means of conveyance to or from the Springs.

Print Warehouse,
IN NEW YORK,

To supply the City and Interior Trade, by the Piece or Package,

REMOVED
From 113 Pearl Street, to
44 CEDAR STREET,
NEAR WILLIAM STREET.

LEE & BREWSTER give notice to the Dealers in Dry Goods, that they have removed their Warehouse for Printed Calicoes exclusively, from Pearl to 44 Cedar street. By confining their attention to Prints only, L. & B. are enabled to exhibit an assortment far surpassing any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.

The Stock consists of *several thousands of Patterns and Colorings*, embracing every variety of

American and Foreign Prints

In market—many styles of which are got up exclusively for their own sales, and cannot be had elsewhere, except in second hands.

Dealers in Prints will find it for their interest to examine this Stock before making their purchases—they will have the advantage of learning the lowest market prices—and comparing all the desirable styles in market side by side.

Catalogues of Prices, corrected with every variation of the Market, are placed in the hands of buyers.
