"LIBERTY AND UNION, NOW AND FOREVER, ONE AND INSEPARABLE."—Daniel Webster.

VOL. IV.—No. 73. NEW BERNE, N. C., WEDNESDAY MORNING, DECEMBER 23, 1868. PRICE 5 CENTS.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which the food becomes vitiated, weak, and poor. Rising to the circulation, it pervades the whole body, and may burst out to discover to any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by inherited disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the end of Him who says, "I will visit the iniquities of the fathers upon their children."

Decidedly mercurial by depositions from the blood of contagious or venereal matter, which, in the form of tumors, have attached organs, is termed tuberculous in the gland, swellings; and on the surface, eruptions or sores. This foul corruption, which produces in the blood, deposits the energies of life, in that scrofulous constitution not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently we find numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by the taint in the system. Most of the consumption which decimates the human family has its origin directly in the scrofulous constitution; and many distinct diseases of the lungs, kidneys, bowels, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To root it from the system we need a cleanser the blood in an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can claim for this everywhere prevailing and fatal malady. It is compounded from the most active and concentrated of the best alteratives known to the profession, and the cures of the system from its disastrous consequences. Hence it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as ERYSIPELAS and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BOILS and SORES, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, ERUPTIONS, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, all COMPLAINTS arising from VITIATED or LOCKED HUMORS. Its popular belief in the power of the blood to build up in truth, for scrofula and pulmonary of the blood. The peculiar purpose and action of this Sarsaparilla is to purify and regenerate the vital fluid, without which sound health is impossible to continued in any one.

AYER'S

Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, Indeed for the whole class of diseases originating in the malaria of Miasmatic Countries.

We are enabled here to offer the community a remedy which, while it cures the above complaints with certainty, is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflicting disorders prevail. The "Ague Cure" expels the miasmatic poison of FEVER AND AGUE from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in fever districts, where FEVER AND AGUE prevails every body should have it and use it freely both for cure and protection. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is that it contains no Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its lurking, among which are *Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affections of the Spleen, Hysterics, Pain in the Bones, Colic, Paralysis* and *Derangement of the Stomach*, all of which, when originating in this cause, put on the *intermittent type*, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to open into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

"No matter how small the week's earnings may be, it is not very hard to lay by part of it, though but a little. To do this is to provide a support in case of accident or sickness, to be able to do something for a friend in need, and to avoid useless and excessive habits. The Freedman's Savings and Trust Company offers to colored persons the best and safest opportunity I know of to do this, and I recommend it warmly.
