BEATTY'S CELEBRATED Golden Tongue Parlor Organs

FACTORY ESTABLISHED IN 1856.

FROM THE PRESS.

From G. D. White, Editor Hacketstown, N. J. Herald.

"The organ has a rich, deep and soul-stirring tone; couldn't stay in the house without it. It helps wonderfully to drive away the thoughts of hard times."

The Lebanon, Pa., Daily News says:

"We are in receipt of one of those five octave Parlor organs, manufactured by Mr. Daniel F. Beatty, Washington, N. J. This organ is in a fine, solid black walnut case, and in tone it cannot be surpassed by any instrument of its kind."

From the Lowell Neb. Register.

"We received this week direct from the manufacturer, Daniel F. Beatty, Washington N. J., his justly celebrated organ, elegant in appearance, and handsomely furnished, unexcelled in riches and power of tone.—We are more than pleased with it, and heartily recommend it to any one contemplating of purchasing an organ."

Best offer ever given. Money refunded upon return of organ and freight charges paid by me (Daniel F. Beatty) both ways if unsatisfactory, after a test trial of five days.
