Since that time there has been a steady improvement; and now PESCUD has the pleasure of offering the purest, best burning and cheapest Kerosene ever sold here. It is warranted to burn one third longer than the best Oil sold by parties heretofore pronouncing the whole thing a humbug. It burns free of smoke or smell. It only costs a little over one-fourth cent an hour. It is a better light for the eyes, and better for all purposes than any other light. It is sold at $1 25 per gallon, or 35 cents a quart. It contains nearly

LAND FOR SALE.
HAVING DETERMINED TO MOVE SOUTH, I offer for sale the tract of Land on which I now live, containing 635 acres, situated in the County of Franklin, about 5 miles from Louisburg, 8 miles from Franklinton, and 8 miles from Kittrell's Springs, lying on Tar River and Lynches Creek. About 200 acres of which is rich bottom land, 100 acres of which is open and in cultivation, the balance in original growth. The upland is all open except about 75 acres, which is well timbered and very rich.
There is a large two story Dwelling House upon the land, containing six rooms, which with a little repairs, could be made very comfortable and pleasant.
There are all other necessary out-houses on the plantation, such as Barns, Negro Cabins, &c., all new and in good order.
Persons from the Eastern part of the State wishing a Summer residence to resort to during the sickly season, would find this place remarkably well adapted to that purpose—besides being convenient to three Mineral Springs—Kittrell's, Jones' and Shocco.
Any further discription is unnecessary, as those wishing to purchase will be certain to examine before purchasing.
I will take pleasure in showing the lands to any person who may wish to look at it.

HARTSFIELD'S NEWLY PATENTED COTTON SCRAPER AND CHOPPER.
THIS IS ONE OF THE GREATEST INVENTIONS to Cotton growers that has ever been discovered. It will plow both sides of a row of Cotton and chop it out at the same time, and will *save the labor of eight hands*.
