VALUABLE LAND FOR SALE.—INTENDING to remove to the West, I wish to sell privately the tract of land on which I reside, near Raleigh. The Tract contains 350 acres, more or less, about 150 of which is cleared and in a high state of cultivation; the balance—about 200 acres—in original growth. The farm is about three miles from Raleigh, near the Fayetteville Road. On the premises is a good dwelling house and all necessary out houses. This is one of the best tracts of land in the county, and owing to its proximity to the City of Raleigh, as well as the large amount of woodland, and the highly improved condition of the cleared land, is certainly one of the most valuable.
Persons desiring to purchase are invited to call and examine the premises. Terms will be reasonable.

DOWN WITH THE POLITICIANS!
THIS UNION MUST BE PRESERVED
BY THE PEOPLE!
AWAKE TO YOUR INTEREST—THE day is at hand, and it becomes necessary that every person having MONEY of any description, to deposit the same at FRANKLINS—the only man in town that keeps on hand goods to
SUIT ALL CLASSES!
Hang out your Banners and throw up your Hats for the UNION now, fellow citizens. The way to preserve the Union and keep peace at home is
TO DEAL WITH FRANKLIN.
Talk about dissolving the Union—it can't be done without the voice of the masses, the only true friends to the South and the Union; and when the day of trial comes we will be found defending every inch of the South at the point of a—*stick of candy.*
But in the mean time, dont forget that FRANKLIN'S is the place to buy
CHEAP GOODS FOR THE CASH.
Why be alarmed, friends? The Union will not be dissolved, for we are the working men; and we are the fighting men; and we have the power; and we intend to preserve this Union in which we live, and have our being.

THE AD VALOREM BANNER,
DAILY AND WEEKLY.
A SHORT TIME SINCE I ISSUED A PROSPECTUS for a Weekly newspaper, to be called the AD VALOREM BANNER, to be published in the City of Raleigh, N. C. The encouragement I have received, far exceeding my most sanguine hopes, induces me to issue this prospectus, the object of which is to inform the public that I will, on the 1st of January, 1861, commence the publication of the BANNER, not only WEEKLY, but also DAILY.
So far as the Banner takes sides with political parties, it will be Democratic; but with regard to internal Improvements, a change in our system of Taxation, and the preservation of a Constitutional Union, it will know no party, but will be the zealous advocate of all these, repudiating secret caucuses, (where the spirit of the Constitution is often violated,) packed and partial Conventions, and the scheming of would be political demagogues and tricksters. I shall be just and fear not.

RALEIGH REGISTER
STEAM POWER PRESS
BOOK AND JOB PRINTING
ESTABLISHMENT.
HAVING RECENTLY SUPPLIED OUR OFFICE with one of R. HOE & Co's SINGLE LARGE CYLINDER PRINTING MACHINES, which are admitted to have no superiors in the world, we flatter ourselves that we can say, without fear of contradiction, that we have in our office
THE BEST POWER PRESS
in the State, and one that has no Superior in the United States.
Soon after purchasing our new Power Press, finding that we could not employ a man who understood the management of it in the State, we sent on to New York, where we engaged the services of one who has served a regular apprenticeship in the city of Paris to the business, and who has been engaged at it alone all his life. He is a number one Pressman, and we do not hesitate to say that we now have
THE BEST PRESSMAN
in the State, and one without a superior anywhere. And in order to show that we are as well, if not better, prepared to do good Job Work as any other establishment in the state, we do not hesitate to say that we have in our employ
THE BEST JOB PRINTER
in the City, and one who is equal at least to the best in the State.
Finding that we could not do by hand power the large amount of Job and Newspaper work which our unusual facilities are daily attracting to our office, we have purchased a
STEAM ENGINE,
and our splendid Power Press will hereafter be driven by Steam.
It will thus be seen that our facilities for doing
JOB WORK OF EVERY DESCRIPTION
CANNOT BE SURPASSED,
and we respectfully solicit a liberal share of the patronage of our friends and the public generally. We will in every instance
Warrant our Work to give Satisfaction.

MONUMENT TO DR. MITCHELL.
THE UNDERSIGNED HAVING DURING THE past summer heard many express a wish that a monument should be placed over the grave of Rev. Dr. Mitchell, upon the High Peak of the Black Mountain, and regret that it had not already been done, has determined to give his personal attention to the matter, and trusts that, by the aid of the thousands of pupils and friends of that venerable man, he may be enabled to erect it.
The undersigned proposes to erect a plain, subtantial structure, with the rock found on the spot, and to build
