To Land Buyers.

THE Subscriber having purchased a tract of Land near Louisburg, offers for sale his tract in Franklin county, lying on Ray's creek, seven miles south west from Louisburg, containing, by a late survey, 650 acres, bounded by lands of Thomas Alston, Jeremiah Perry, (Fork) and others. There is on this tract open land sufficient to work six or eight hands to advantage. The improvements are an elegant two story dwelling house, 32 by 36 feet, with four rooms on each floor, and a cellar equal to any for dryness and convenience, (the whole built of the very best materials,) with convenient out-houses. The soil will be found inferior to none in the neighborhood, being well adapted to Corn, Cotton, Tobacco, Wheat, &c. The subscriber deems it unnecessary to say any thing more relative to the situation, as it is presumed that those inclined to purchase, will take a view of the premises; but if persuaded that no objection will be found when seen, particularly when the price is taken into view. Terms $1800 in cash, or negroes at cash price, or $2000 in good bonds on demand.

Notice.

ALL persons indebted to the subscriber are requested to come forward and settle their accounts, either by note or otherwise, as my contemplated stay in this place is short. Those who neglect this invitation, may expect to be called on in some other way. For the few weeks I am in this place, I shall keep a general assortment of Dry Goods, suitable for the season, which will be sold as low as they can be obtained in this place. The supply I have lately received and shall continue to receive while here, will make my assortment good. Those who wish to purchase either Dry Goods or Groceries, are requested to call and examine, before they purchase elsewhere.
