The Graefenberg Vegetable PILLS.

30,000 *Boxes sold each and every week.*

THE GRAEFENBURG COMPANY, hereby give notice that their General Agent for the State of North Carolina is Capt. WM. JONES, Louisburg, Franklin county, N. C.

The General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company either, on personal application, or by mail, *post paid*. The rapid sale of these celebrated Pills, and the extraordinary cures they are constantly effecting, under them, by far, the most popular Pill of the age, en Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints; in general derangement of the system; in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the classes of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

CURES ARE CONSTANTLY EFFECTED

by these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given; but a trial of one box will convince the patient. They can be ordered and sent by mail at trifling expense. The price is 25 cents a box.

Where two dollars worth are ordered, and the money remitted, the Company will pay postage on the Pills. Remittances at the company's risk. Wherever there is no agency of the company, they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

ALL BILIOUS COMPLAINTS,

Bowel Complaints, Constipation, Dyspepsia, Fever and Ague, Headache, Jaundice, Liver Complaints, Rheumatism, all Stomach Complaints, Green Sickness, &c. &c. yield at once to these Pills. They purge away offensive humors, arrest the progress of disease and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

BY THEIR USE, the weak will become strong, the pale and bilious complexion be restored to a perfectly fresh and healthy color; all the bad symptoms will one by one disappear.

In short these Pills are an inconceivable advance upon any other medicine ever before offered to the public. A trial will satisfy any one of this.

For sale by LIPPITT & WILKINGS, Wilmington N. C.

☞ Agents are requested to report to me of their progress.

Miracle of Miracles!!

On the 4th of August, in the year 1847, a singular scene occurred in the Royal Scientific Institution of France. The aged, white-headed President, his head bare, his arms outstretched, his face radiant with smiles (for science was triumphant) and his voice with gratulatory tone, delivered the following Report:

"We are astounded at this singular preparation.—Where indeed will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know, by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and making it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the President, who had used it, in proof of his assertion.)

There are probably few persons of intelligence who, after reading the above, will doubt the qualities of

Jones' Italian Chemical Soap,

In curing Pimples, Blotches, Salt Rheum, Scurvy, Erysipelas, Sore Heads, Old Sores, Beard and Barber's Itch, Chapped and Tender Flesh, Freckles, Tan, Sunburn, and changing dark Sunburn or Yellow Skin to a pure clear white, as smooth and soft as an Infant's, and in fact every kind of eruption and disfigurement. Read these certificates:

From the N. O. Sentinel Oct. 1844.

One of our subscribers, Mr. H. Leonard, informs us that he has been cured of old, scaly Salt Rheum, of eighteen years standing, on his beard, fingers and hands, by a cake of an article much advertised lately—we speak of Jones' Italian Chemical Soap. He also informs us that he has tried its effects on his female slave Rose, much marked with sun spots, and he found in two weeks her skin much clearer and whiter.

James Eltham, a painter, in Jersey City, was cured of carbuncles and pimples, which he was afflicted with for many years, by part of a cake of Jones' Italian Chemical Soap.

Persons in purchasing this, must always ask for JONES' ITALIAN CHEMICAL SOAP; and perhaps, as many who have been cheated with counterfeits will be too much discouraged to try the genuine, we say to such, try this once—you will not regret it; but always see that the name of T. JONES is on the wrapper.

THE GRAND PURGATIVE

CLICKENER'S SUGAR COATED VEGETABLE PURGATIVE PILLS

FOR THE CURE OF

HEADACHE, Giddiness, Rheumatism, Piles, Dispepsia, Scurvy, Smallpox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other Diseases arising from *Impurities of the Blood*, and *Obstructions* in the *Organs of Digestion*.

Experience has proved that nearly every Disease to which the human frame is subject, originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure Health, we must remove those Obstructions or restore the Blood to its natural state. Therefore when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should at once be got rid of. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution, or a fit of sickness rebukes them for the folly of their conduct. Still they *had* some excuse; for *heretofore*, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for

Clickener's Vegetable Purgative Pills

being completely enveloped with a *Coating of pure white Sugar*, (which is as distinct from the internal ingredients as a nut shell from the kernel) *have no taste of medicine*, but are as easily swallowed as bits of candy. Moreover they *will not sicken or gripe* in the slightest degree. They operate equally on all the diseased parts of the System, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver is affected one ingredient will operate on that particular organ, and, by cleansing it of that Excess of Bile it is so apt to overcharge into the stomach, restore it to its natural state. Another will operate on the Blood, and remove those impurities which have since been generated into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach through the instrumentality of the other ingredients. Hence they *strike at the root of the disease*; remove all Impure Humours from the body; open the pores externally and internally; promote the Insensible Perspiration; obviate Flatulency, Headache &c.; separate all foreign and obnoxious particles from the chyle; secure a free and healthy action to the Heart, Lungs and Liver; and thereby *restore health to a sick and debilitated system when all other means have failed.*

The entire truth of the above can be ascertained by the trial of a single Bottle; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction. Retail Price, 25 cents per Bottle.

Sold in WILMINGTON by LIPPITT & WILLKINGS, Front-street, between Market and Dock.

Dr. Clickener's Principal Office, 66 Vesey-st. New York.

☞ Remember Dr. C. V. Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should therefore, always ask for Clickener's Sugar Coated Pills, and take no others, or they will be made the victims of a fraud.

R. F. HIBBARDS

Genuine Vegetable Anti-Bilious Family Pills

THESE Pills are a certain cure for Fever and Ague and Bilious Fever as numerous certificates sent to the proprietors will show.

The smallness of the dose, (only two pills,) the energy, their simplicity, and efficacy, hopefully adapt them for Family and general use.

The unbounded popularity and extensive sale of the pills have induced persons to imitate them, and we up them up under a name and reputation not their own.

The proprietors have put up these pills in their own proper name that they may the more effectually protect them and the public from fraud, which they could not do if they had taken a fictitious name, or the name of the dead. Read the following statement:

My father, the Rev. R. Hibbard died August 17, 1844. While in his life time I commenced the Pills, and put them up in boxes and engraved them with wrappers with his name, by his consent, and appointed me, he frequently told me—"Now be very careful, my son, for if the Pills are not made good the public will blame me." So by my active superintendance, the Pills have gained their reputation as a Family Medicine.

Since his death, I have manufactured the Pills and put them up in my own name, as I deem it to be a species of deception to put the name of Rev. R. Hibbard on the wrapper, and thereby induce the belief that he superintends the manufacture of the Pills, knowing at the same time that it is not so, that he is dead.

The Pills bearing the name, R. F. Hibbard, are manufactured by me, and are the Genuine Hibbard's Pills as made by my father, Rev. R. Hibbard.

RUFUS F. HIBBARD.

Be sure and ask for R. F. Hibbard's Pills.

GENTS—This may certify that I was afflicted with that dreadful disease, Fever and Ague, and was recommended to try your Pills. One box was sufficient to humble it to a cure. Yours respectfully,

S. SAWYER.

THE GREAT REMEDY.

HOUSE'S INDIAN TONIC.

A safe and sure cure for CHILLS or AGUE & FEVER in the unprecedented short time of Five Hours—as thousands throughout the West and South can testify, who have been thus speedily cured by this GREAT REMEDY!

EVERY one who is afflicted, should be anxious to obtain that remedy which offers the best, quickest, and safest cure, no matter from what source it springs; every honest man being bound to embrace the truth wherever found. Therefore the proprietor in justice to the public and himself, feels called upon to state, honestly, a few facts, which will establish HOUSE'S INDIAN TONIC to be the best remedy for CHILLS or AGUE and FEVER, now known. *Fact 1st.* The article is convenient and pleasant to take—is refined from all gross particles, which render other preparations so nauseous, nauseous, and disagreeable to the taste; and if the directions are followed, will cure every case, with mathematical certainty, in from three to five hours. Astonishing!!! but true. *Fact 2d.* By its action upon the liver and other organs concerned in forming it, the bile is regulated, the morbid action induced by the cause of the disease is destroyed—fever allayed—and it will be found a powerful agent in assisting to remove fever generally. *Fact 3rd.* It gives tone to the stomach, invigorates the body—stimulates all the functions to a healthy action, and is highly useful wherever tonics are wanted. *Fact 4th.*—This Tonic has performed and daily performing cures in CHILLS or AGUE & FEVER, without a parallel in medicine. Witness a single bottle making a cure in a case of TEN YEARS standing; another in a case NINE YEARS standing, to cure which has previously baffled all skill and every remedy. Look at the many other astonishing cures set forth in the certificates around the bottle—and then say, if HOUSE'S INDIAN TONIC does not deservedly stand pre-eminently the greatest remedy of the times. Read the certificates carefully; they are from your neighbors and friends—and when ever you meet with any of them, (to ascertain the truth) don't fail to ask them concerning it. Be sure to ask for HOUSE'S INDIAN TONIC and as you value your health, don't be put off with any thing else.

VALUABLE RICE AND TURPENTINE LANDS FOR SALE

THE subscribers offer for sale between two and three hundred acres of valuable Rice Lands on Lockwood's Folly river, in Brunswick county. Immediately in the neighborhood of the Lands is a good stream of water emptying into the Lockwood's river furnishing water power sufficient for watering the fields and for pounding and threshing the Rice, as well as for a Saw Mill. A part of this land has been cultivated in Rice and Cotton, and produced equal to any land.

Adjoining to these Lands are between fifteen hundred and two thousand acres of firstrate Turpentine Lands, very convenient to the river, all within three miles of the sea-shore, and a healthy location. That whole neighborhood abounds in good Turpentine Lands.

NOTICE.

MY experience for the last two months fully convinces me that pure camphine cannot be manufactured and delivered at 50 cents per gallon. I am therefore necessitated to charge sixty cents per gallon after the 1st of April. If the citizens of Wilmington prefer having the common Spirits of Turpentine filtered at *forty-five cents* per gallon, I can deliver it to them at that price rather than sell Camphine at less than sixty cents.
