A BOOK FOR THE MILLION!
Marriage Guide. A private Counselor to the Married of those about to marry on the physiological mysteries and revelations of the sexual system, with the latest discoveries in producing and preventing offspring, how to preserve the complexion, &c.
This is an interesting work of two hundred and sixty pages, with numerous engravings, and contains valuable information for those who are married, or contemplate marriage. Still it is a book that ought to be kept under lock and key, and not laid carelessly about the house.
It contains the experience and advice of a physician whose reputation is world-wide, and should be in the private drawer of every male and female throughout the entire globe. It embraces everything on the subject of the generative system that is worth knowing, and much that is not published in any other work.
Sent to any one (free of postage) for Fifty Cents.
